Well, ladies and gentlemen,

Due of the long delays of the ADTRW group,
I have decided to create a new group named
DummyScan (for the manga translation).
(and DummySub for fansubbing)

I have a lot of respect for ADTRW high quality work and the nice story of

Boku no Futatsu no Tsubasa

they gave us! Thank you!

I have already have bought original Japanese volumes
(currently 5 are out)
and scan them using my newly developed cam-scanmethod.

Using another site of mine, I've asked people for help with the translations.

It took a while to find translators who were willing to help me
with the pages. Luckily, someone volunteered to help us.

Now it's finally here: some translators translated the whole
chapter! I can now edit the pages (yes, i'm also editor) and trying to
create the same high level of quality level as was used by ADTRW.

It's possible that the translation is not very accurate and some
sound-effects are forgotten, but please bear with us.
This is our first release.

And yes, the next chapter (19) will be coming soon!

You may visit our new site: http://dummyscan.mrdummy.net/

P.S.: You can still download chapter 1-17 as done by ADTRW. (www.adtrw.org)

Kanna, you just want to get in my pants
!

Sorry
I'm going on ahead
So
What do you want with me?
Um, listen about this Sunday
Ah!
Ayame-chan
Eh?

I'm sorry
Sunday's no good

Date
Sorry
I've got something to do on Sunday

Mako-chan would be a little more discreet...
I really wish
Yeah
Thanks for asking, though
If her secret were to get out
she wouldn't be able to stay at this school... maybe not this town

Aren't you rushing things?
Rushing things? Me?
Mako-to..
Recent-ly
you've been a bit strange ...
Mako-to... are you alright?
Am I rushing things...?

I'm home!
It's been a while since I've brought goodies home... or maybe I should say it's the first time.
I'm really being nice to her. Go me! ♡
Mako-chan, I'm coming in
I bought cake!
Let's eat it together! ♡
K-CH, CK

Uh, hi.
WHAT THE HELL ARE YOU DOING!?
AH!
Tomoki-kun is showing me a drag queen method
that will never get me found out...
MAKO-CHAN !!

Hi-
What are you doing?
Ah

Tomoki-kun is teaching me a disguise method
In which I'll never get found out..
Mako-Chan!!

Mare aver, are you okay with this?
Because if we are able to find proof that she is a boy I expect we'll get Kanna and Keigo back
Without a doubt
I have confidence in that
Are you really sure that girl is a boy?
The problem will be if Kashiwagi already had a sex change
Well.. I don't think a growing High School student would go that far yet though
I'll leave this to you
The Physical examinations are soon
and the school doctor Mawaka is a friend
If I talk to her about it. She'll be interested and cooperate with us
I'll stay out of this myself
I'm Sorry.
Sunday is no good for me
What is Maruchi doing?
Pitiful
very

I bought it with Tomoki
Look, this
Female corrective underwear

Hey
Look
Look
What do you think?
?
Of?

And You're really OK with that?
Its the Physical Exam Day
Right?
I know
Wouldn't it be better if you took today off?
It would seem more suspicious if I took the day off on a day like this
Besides. If I am able to get pass the Physical Examination I'll be happy

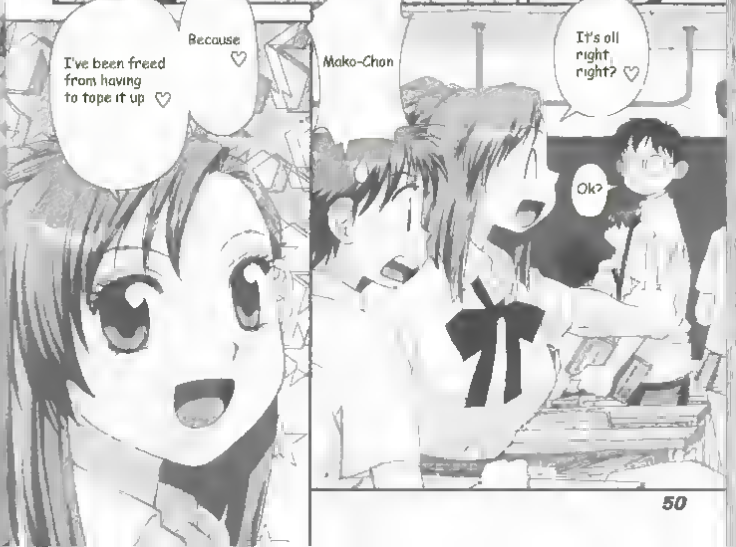
Mako-Chan.
Rather than saying you look happy You seem kind of weird
Today I can confidently say that where ever somebody looks at me they'll see a girl

Hey
You know what day Today is right?

What are you two doing?
If you don't go soon you will be late!
All right

All right, next class
Guys to the Gym
Girls please go to the Audio-Visual Classroom
Right!
Oh no

I decided to come because with the underwear that Tomoki taught me about. I'll be fine.
If that's the case you should try and act more normal
You are a little too Giddy
Anyways the Physical Examination is dangerous.
You should just try and get out of it



Because ♡
I've been freed from having to tape it up ♡
Mako-Chan
It's all right, right? ♡
Ok?

Well undress to your underwear.
Hey hey don't mind the other girls
humm
SO you are Kashiwagi Makoto?
?

All right it's my turn
はるはる

Doctor! Even if she doesn't take it off Isn't she already fine to take a cardiogram and other such tests?
What the hell is developing here? ...
Or is it that you have no confidence in your body image and that is hiding some kind of corrective garments?
Are you embarassed even though you have such a great chest?

Well
Ah
Could I persuade you to just take off the top-part...?
With that kind of underwear. I can't do the Physical Exam
Okay I've undressed

WOW
ぷるるん
They are huge
Th
Big Sister, What are you doing?
I told you not to call me Sister in School!
Hey. break it up! break it up!
You are holding up the exam!
What are you all doing?
Okay
Okay
Anyways Sit over there and I'll check your chest

The Cardiogram
Okay
Next

All I see suggests She is a girl
It was a story told to me...
Hey, is this kid really a boy?
Well..
He probably had a sex change
Tama-Chan
Is she really a he?

Big Sis!
It's just you can't wear that with the Cardio-gram
I'm not just forcing you to do it...
If you don't want to you can say no
Doctor that is going too far!!
Doc!
Hey Be quiet

Will you take that off?
Well then...

What, you want me to take this off?

Who?
That underwear will not work with the Cardiogram
So please take it off...
oh yeah...

m-might...
It's all right you'll be hidden behind a screen
Morosoto-Sensei, could you get the screen
Miwoko... Really be that interested in finding out?

I'll take it off

Is this fine..?
All right lay on that bed over there
Let's get this Cardiogram done quickly
So that is Tomoki-kun's recommended female shaping underwear
With that she won't get caught
However why does it have to be so explicit...

!!

That could mean any thing.
What the How Boring

Is something strange going on there?
Is Moko-Chan okay?
hmm.
Yeah I'm fine
How rude I'm doing no such thing
Honestly, what are students these days thinking
One more thing.
Though you are a High School Student that flashy panty won't impress
okay
Well you can go now

Without a doubt he had a sex change then.
Can't she do an X-ray or do a Blood Test or something?
Well then isn't she a girl?
You know we can't do those sort of tests here
Okay I'm going to start.
Please be quiet

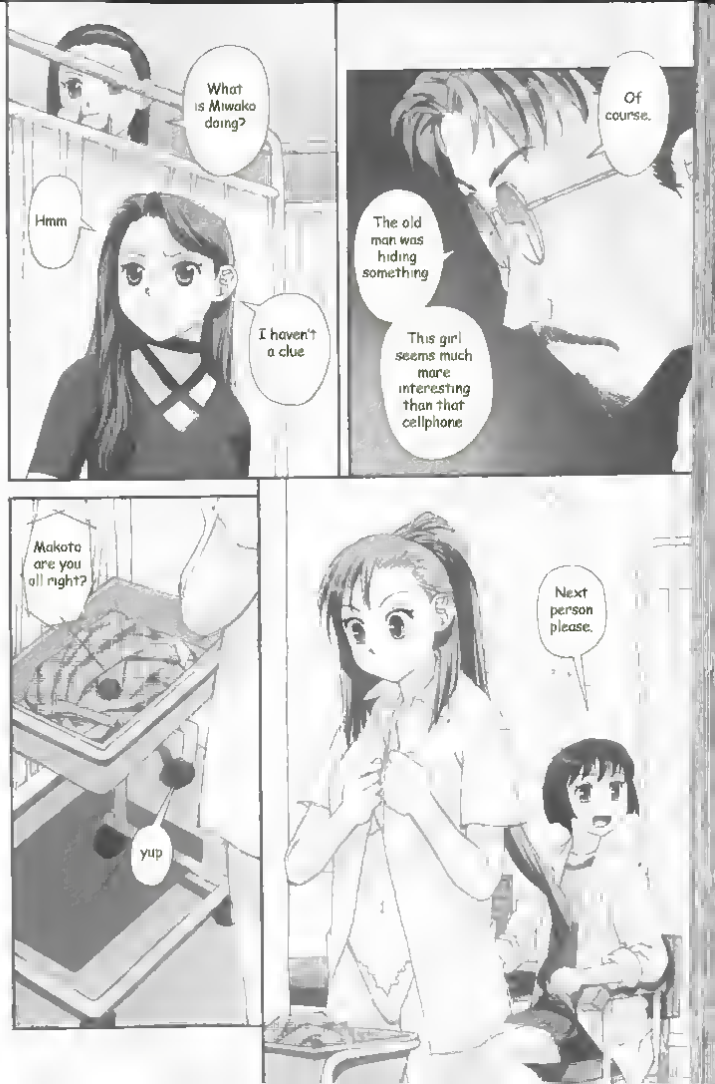
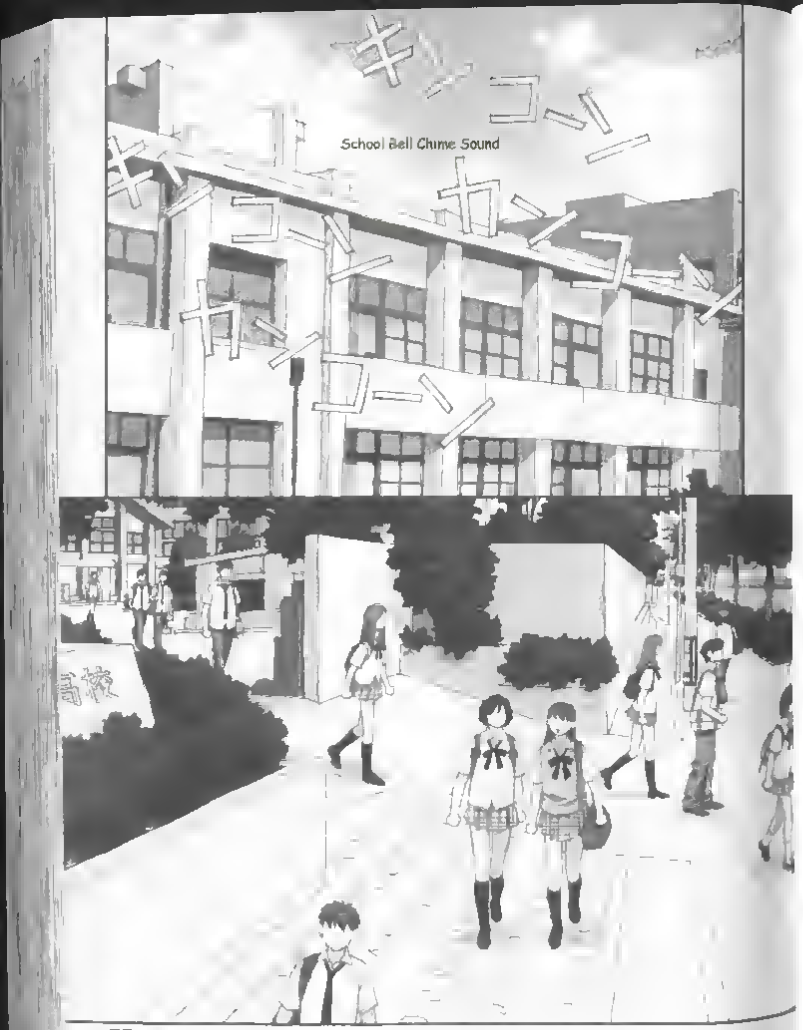
That was too close I was afraid you'd get caught
hehe
I've been told such
?
Though I was a little nervous it went well
I wasn't found out ♡
That was too close
I don't know why you did it but
there are people that suspect
So please be sure to take care



What is Miwako doing?
Hmm
I haven't a clue
Of course.
The old man was hiding something
This girl seems much more interesting than that cellphone
Makoto are you all right?
yup
Next person please.

Just to make sure I did it...

Okay
Okui-kun come to the board



School Bell Chime Sound

So if we check her chromosomes we can confirm whether she is a girl or boy
I think the only things we can't do here is X-raying and Blood work
However I did take a small cell sample from her mouth with the swob
Brilliant Miwako -San
Even if Kashiwagi had a sex change you thought of a way to find proof that she was a man
Ah!!
The sample has vanished...

Do you wanna come along?
Right now we're all going to do something
Let's Go!
Right Right
Eh?
Yes?
Ayame -Chan
Ah
I'm fine
I'm kind of tired so...I'll just head straight home today
hmmm
Mako -Chan you coming?
Hey
Let's go out and do something now
all right
Let's go

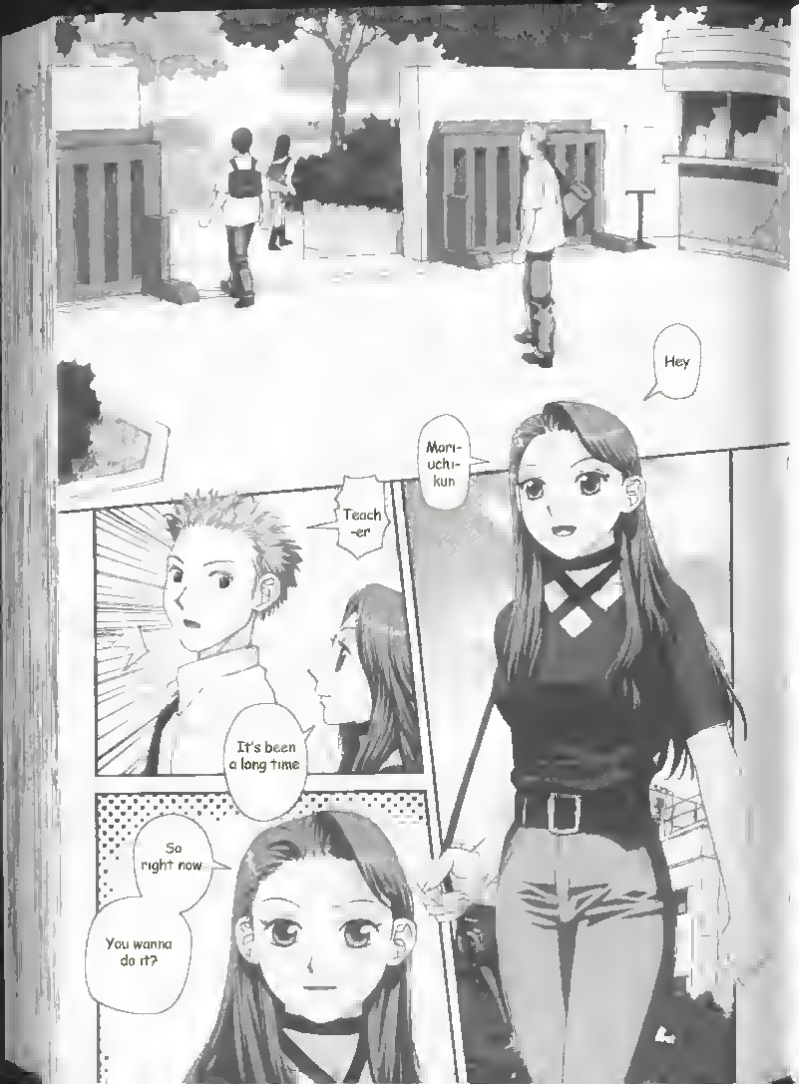
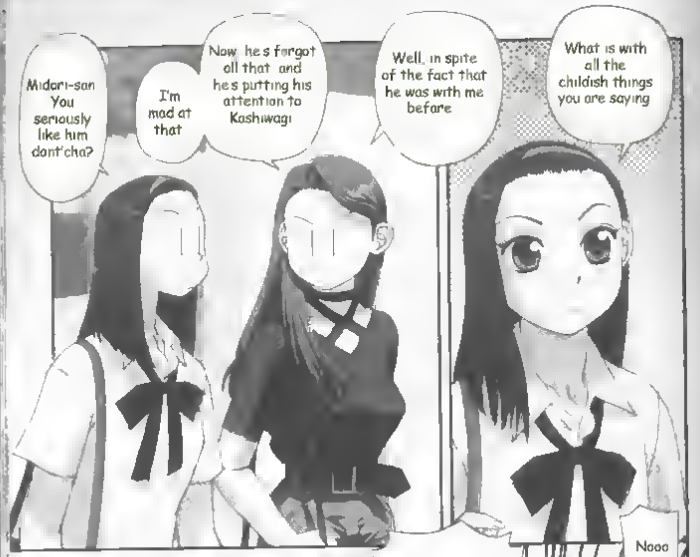
Ah
Hmph
You're being unsociable



Hey
Mori-uchi-kun
Teach-er
It's been a long time
So right now
You wanna do it?

Though I don't have any money
Today I have time so okay
Mako-Chan I didn't think you'd make your intentions so openly
Though I thought that would cheer you up
Ah Well
You revealed yourself
Ah
hmmm So you like that girl
What a waste
Is she a Lesbian?



Midori-san You seriously like him don't'cha?
I'm mad at that
Now he's forgot all that and he's putting his attention to Kashiwagi
Well, in spite of the fact that he was with me before
What is with all the childish things you are saying
Nooo noo no
It's not like that at all
I'm not the type of woman who could be satisfied with just one man
You under-stand right?
Relax
Let's think of a counter measure for Kashiwagi
Kay?

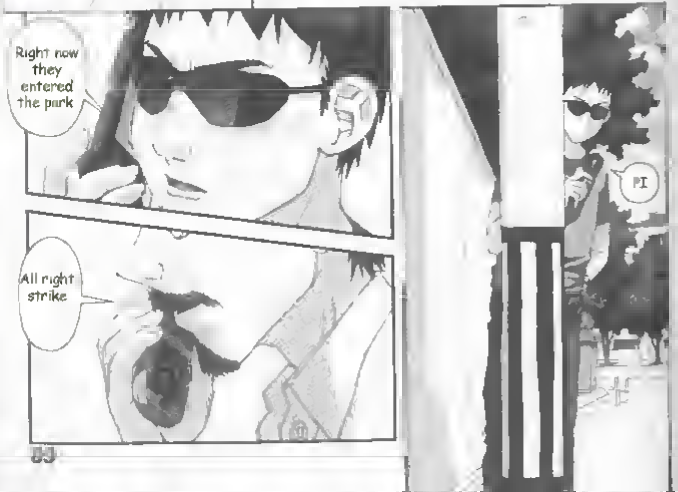
bastard

Sorry
Today is impossible for me
I'm busy

Midori-san

Stupid
Why is he in such a hurry?
Keigo Moriuchi that is uncool

Let's take a shortcut If we go through the park, we'll get there sooner



Right now they entered the park
All right strike

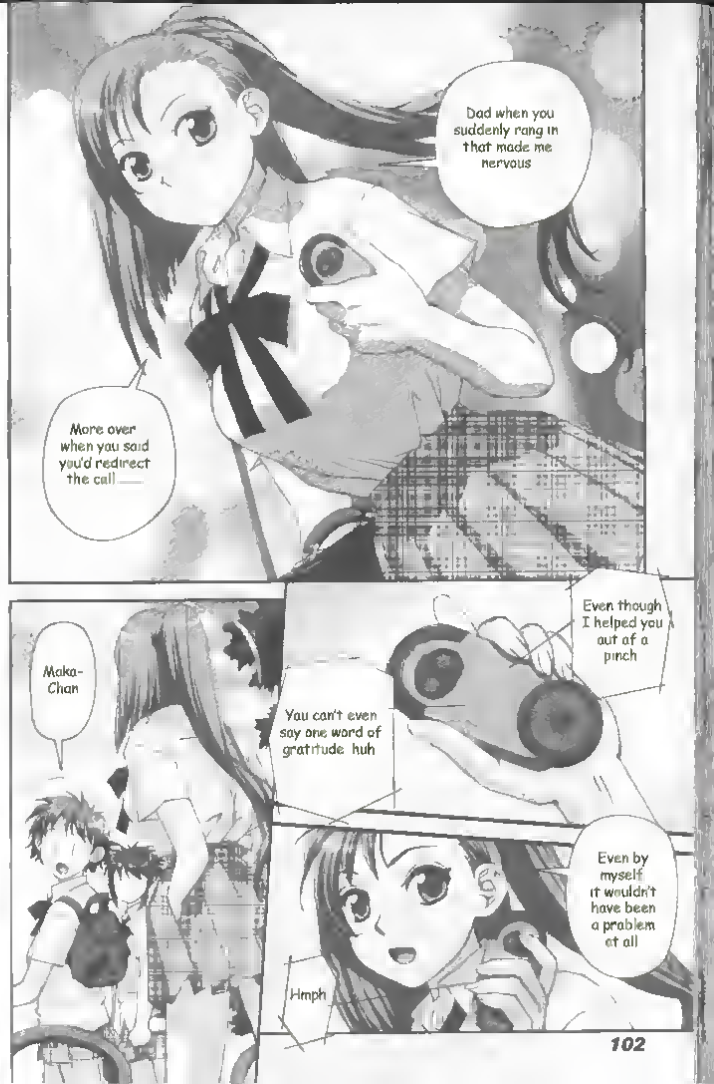
Hirami,
Are you really not hurt anywhere?
Shall I carry you on my back home?
Uhh...
Ah
O-Okay
I'm okay really
So why don't you walk Ayame-Chan home instead
Okay?



Dad when you suddenly rang in that made me nervous
More over when you said you'd redirect the call.....
Maka-Chan
Even though I helped you out of a pinch
You can't even say one word of gratitude huh
Even by myself it wouldn't have been a problem at all
Hmph

I won't give it to you
Today is my chance to get with Moko-Chan
WASHII!
UHUHU

Okay?
Ryosuke-Kun please walk Hiromi home
A-All right.
T-that was s-scary

Anyways. I called the cops and said that some people had fallen in the park
So, we'd better split from here quick

Ah
Please be careful.
Once I drop Ayame off at her house I'll come back immediately

Mako-Chan You are cool
What's the matter?
?
O-Ouch
I got a hard on
?
?

yup
have you calmed down?
Ayame-Chan
I'm sorry that because of me you were put in such a scary situation.
I was scared but,
Seeing how strong you were
Was more surprising

She had been walking with us just a few minutes ago
Huh?
Huh?
Kanna?
Eh?
What a bother-some person...
She better not act recklessly...

Or were they group stalkers or some such...?
Was that an abduction attempt?
Those guys' target was Kashiwagi huh...
Mako-Chan is strong So she'll be fine
GYUU
I wonder if Mako-Chan will be all right by herself?

Here it is.
Who ever comes at me I'll beat'em up
I'll be okay
Yoko-Chan isn't it dangerous for you to walk back alone?
Today I'll pass
It's all right if you wanna drop in for a bit

then some bold revision is necessary ♡

Mako-Chan ——?
Kanna
Even now Do you still want to have sex with me?

When inserting fingers vibrators, or what not, you should make sure that they have been moistened.
Mako-Chan, I think you should lead if you do it

Also.. the tongue is better than the finger ♡
For a woman that is her most sensitive place so be gentle..

I ____ am really half-male
I don't care about that
As long as I can do this and be held by you like this I'm happy
NU
I
O-Ouch

When you're going to have sex, you can't always depend on a guy to have a condom
To protect your body or a female lover's I want you always to carry a condom with you
No matter if your partner is a guy or a girl they probably won't be using contraception
And, for times when you are with a woman, from now on you should practice using a condom.
Kanna there is something I have to confess to you ..
Kanna... can you take all of me?
?
Y-Yes
Mako-Chan, I want to take all of you
That would make me incredibly happy

Though Kashiwagi is a guy He has the form a girl. which he uses to trick everybody
Listen to me!

I've done it with girls many times but ...
I don't like using a vibrator So I was still a virgin.
Blood
Blood came out...
Are you really not in any pain?

Hey
What happend today isn't some how related to how your body is it?
Moko-Chan do you know anything about it?
Ryosuke and the others were saying that we should go to the cops about that thing, but I convinced them not to
Because it would be difficult to presuade em
Hey...
What should I do?

Knowing you you sure you just didn't get Knocked out by Abiko

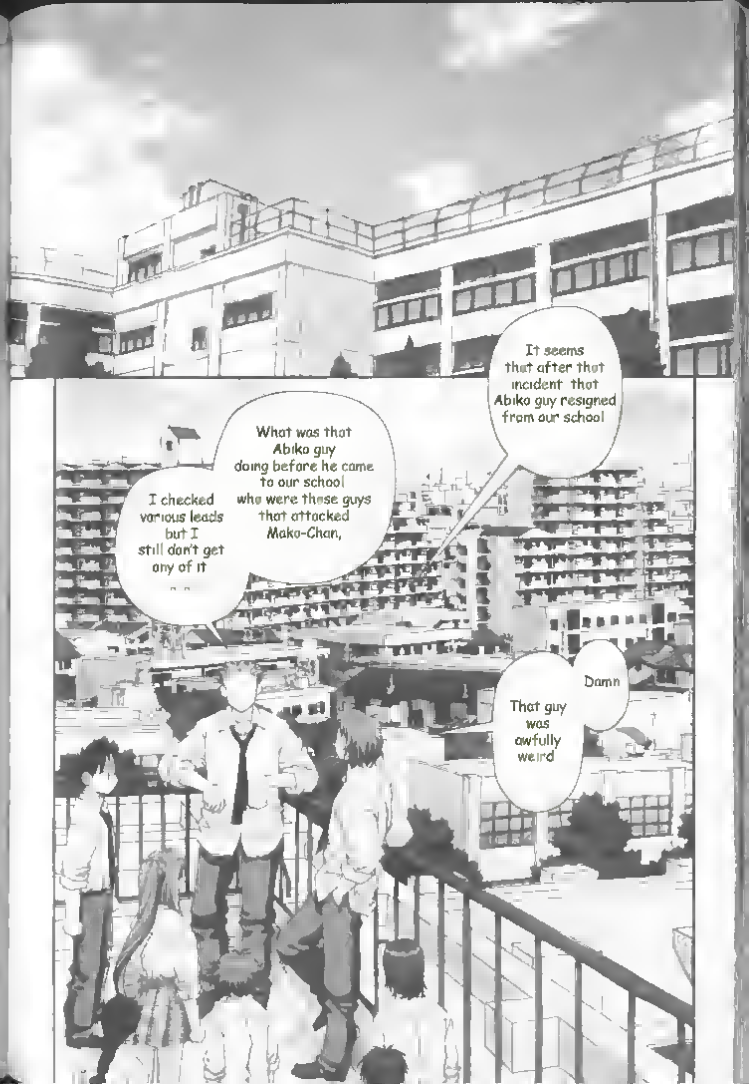
I'd have caught that guy and handed him over to the cops
That time If my foot didn't slip, causing me to hit my head and get knocked out
However It's regrettable
Hey you finally laughed
...
Wha?
...
Eh? Did I get it right?
a ha ha ha...



It seems that after that incident that Abiko guy resigned from our school
What was that Abiko guy doing before he came to our school who were these guys that attacked Mako-Chan,
I checked various leads but I still don't get any of it
...
Damn
That guy was awfully weird

Hey the bell already rang So hurry up and get in

Yea...
Later let's go home together I'll be waiting at the front gate

We're all going home together So Senior it's all right you don't have to
Yea
Senior that's sly using the situation to make a pass at Mako-Chan
It seems I'm some-what popular
Weren't you already popular ?

It's my fault that every one has gotten involved
and met up with some dangerous situations
Mako-Chan are you okay?
But at the same time it feels like it's become kinda stifling
Everyone worrying about me is normal and I'm happy for that
Yea.
Don't worry about it
I kinda just wanted to be alone
Sorry

Ha
Wa !
Haaa ..

Yeah I understand that but ..
Until now you've always been chased around by her.
The sudden stop of that has probably made you feel a bit lonely, huh
And you probably feel responsible for tearing Kanno's hymen
But now you're better off doing nothing
Because Mako-Chan you can't change how Kanno feels about you

Hey..
Well That..
You have to understand that she fell in love with you when she thought you were a girl
Because you know that for Kanno the objects of her affection can only be girls
Kanno has been avoiding me all the time now
And
So when you were doing it..

The cause is Kashiwagi huh
Yeah

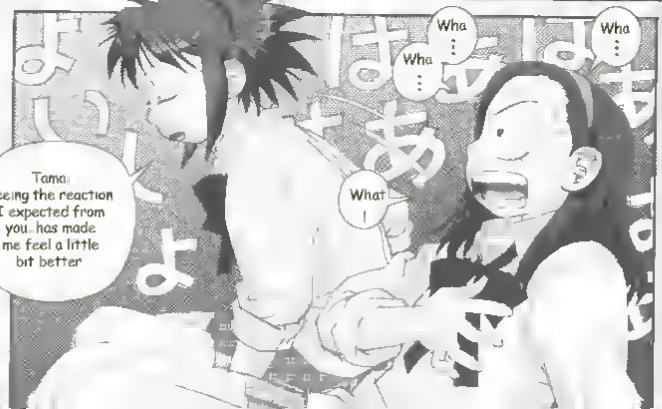
Heh..



Wha...
Wha...
Wha...
What!
Tama: seeing the reaction I expected from you.. has made me feel a little bit better

"Nice". How do you know that?

Well
Because I had sex with her

Y-yeah
I will bear a grudge renounce you, and never forgive you for all my life. Got it?
Even though I told you about this, if you ever once talk about this or spread it around,
But...
Why then do you like Kashiwagi?
Weren't you the one who would never do it with a guy?
I don't get it
I don't get it either, that is why I'm so troubled

Mako-Chan is not a boy
Your theory was half wrong
While you were still surprised I thought about telling you one more thing
Both!!
She has Bo..
She has boy parts and girl parts. She is a hermaphrodite

Makoto
Well,
Is inconceiv-able
Ayame-Chan accepting me for me
Since Kanna's reaction was like that...
I have something I want to tell you
It's about that teacher that quit, Abika
Dad?
Dad, What's the matter?

Any-ways
About Ayame-Chan
you have't talked with her at all Since that time
Yup
It's kind of difficult to meet with her
Since she turned me down

Well then
We better ask your Grandfather what the truth is!
Some how I feel that this Dad of mine inside this cellphone is really, genuinely my Dad
My Grandfather told me shortly after I was born that both my parents died but,
Hmm
I wonder
Mom?
Maybe Kanako-san knows something about this
Hey! Listen to me!

Hey
I wanted to talk to you about this but you've seemed to have wander off tapic!!

umm..

Weren't you raised by your Grandfather?
Your Dad who is talking now,
Who is he?
hmm
huph

He was the Chemistry Teacher that suddenly came to our school this semester and just as suddenly quit
Keigo witnessed him directing those guys with his cell to attack Mako-Chan
All right
That's what I wanted to tell you earlier
Your Grandfather and him are some how related
I met him at Kashiwagi's grandfather's apartment
That guy

PI
I want to confirm this.
Is this the guy called Abiko?
Yeah, he's the ringleader of those guys that were targetting Makoto-Chan
Yup.

I'll bring up drinks and snacks in a bit

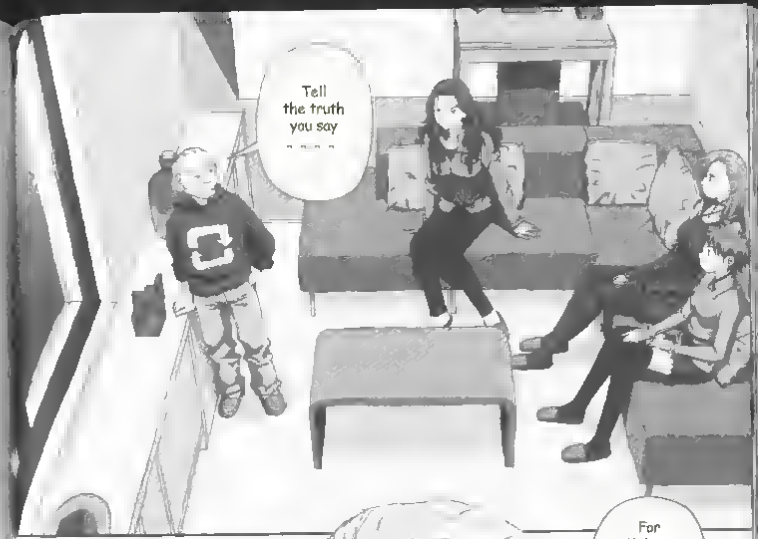
Even the parts that I, myself don't know
Dad you know

Humph
Anyways, come up
Dad you're the same as ever
Nice place but it feels a little lifeless
Wow
It was located this close to us..



Tell the truth you say
. . . . . .

For Makoto and Hiromu
. . . .
What I have to tell you all will be quite shocking...
Are you fine with that?

Yup
Cutting class again huh...

Hey...
What do think about what Grand-father told us?
Mako-Chan ?

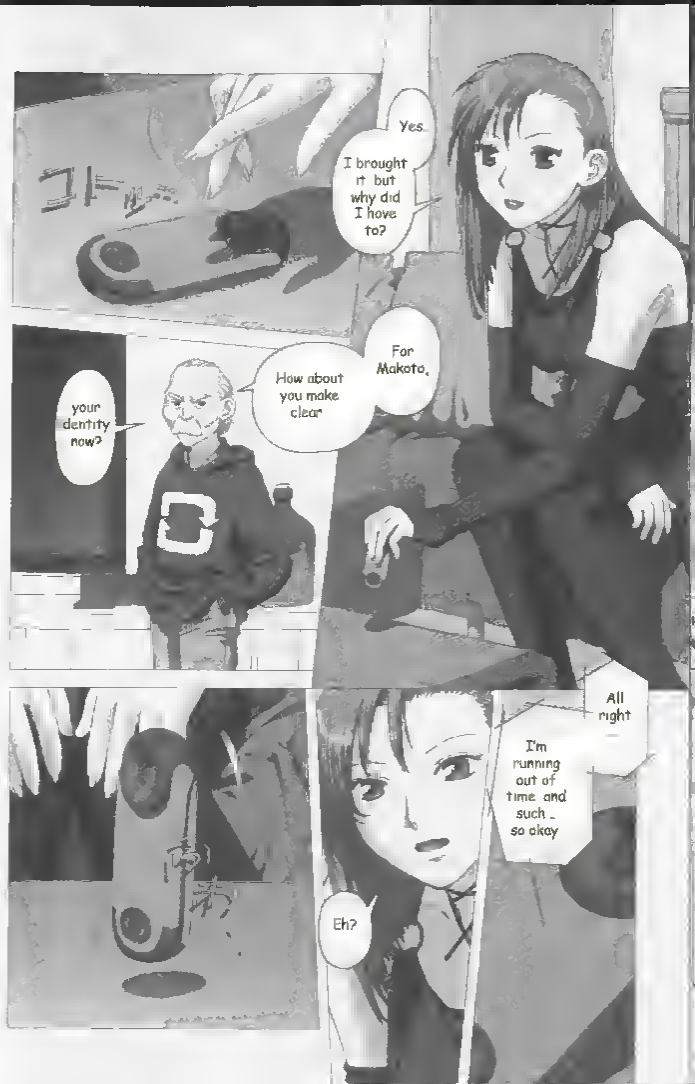
But ...
It really was a complete surprise
Yup
What are you talking about
Mako-Chan?

Makoto
Did you bring your cell phone?

It seems like a lie
It some what doesn't seem at all real, you know
Yea

Ha
Yea I thought so too
A ha ha ha ha
It seemed like a Sci-Fi story told way to seriously by Grandfather and Mom Altogether it seemed pretty stupid!
Mako-Chan you being only half-human

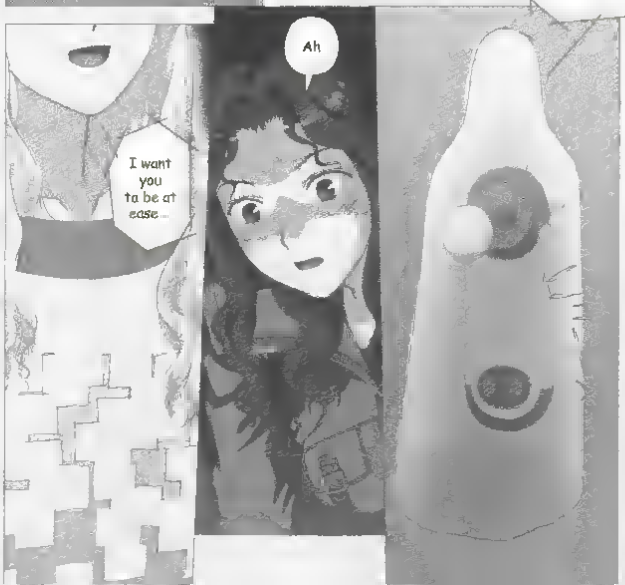
!!
!
!?
...
All right let me reintro-duce myself
I am Makoto's father



Yes.
I brought it but why did I have to?
For Makoto.
How about you make clear
your identity now?
All right
I'm running out of time and such - so okay
Eh?

It's been a long time Kanako
Uh well
No way
Are you a woman too?
Eh
Mako-Chan's dad is this small.

Umm it's kind of like a communi-cator
Well actually what is in front of your eyes is a probe
The real me is humanoid like an earthling. So.



I want you to be at ease...
Ah

What World?
My world is 43 light-years from here
It's a blue planet much like the Earth
Except it has three moons, none of which are as big as your moon.
Right now ...?
From that far away,
you are communicating with us?
Idiots, This is a Hologram
It's a 3D projection.
Ah yeah that makes sense
On our home world, we're all like this
Since I'm your dad, I'm a hermaphrodite like you!
Also, Makoto what are you thinking!

Right now I'm in a space ship orbiting the dark-side of the moon
No

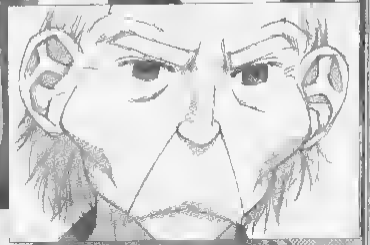
I wanted to know every-thing that Makoto was doing
How had she grown
How was her life
Because she was the crystollization of my love for Kanako
Mom is o
Dad's an alien
Crystall-izotion of love!

After the cell phone came I was able to monitor Makoto
and from then on I've been checking up on her
she's always doing this sort of thing

Are you really my mother ——?
Is this true ——

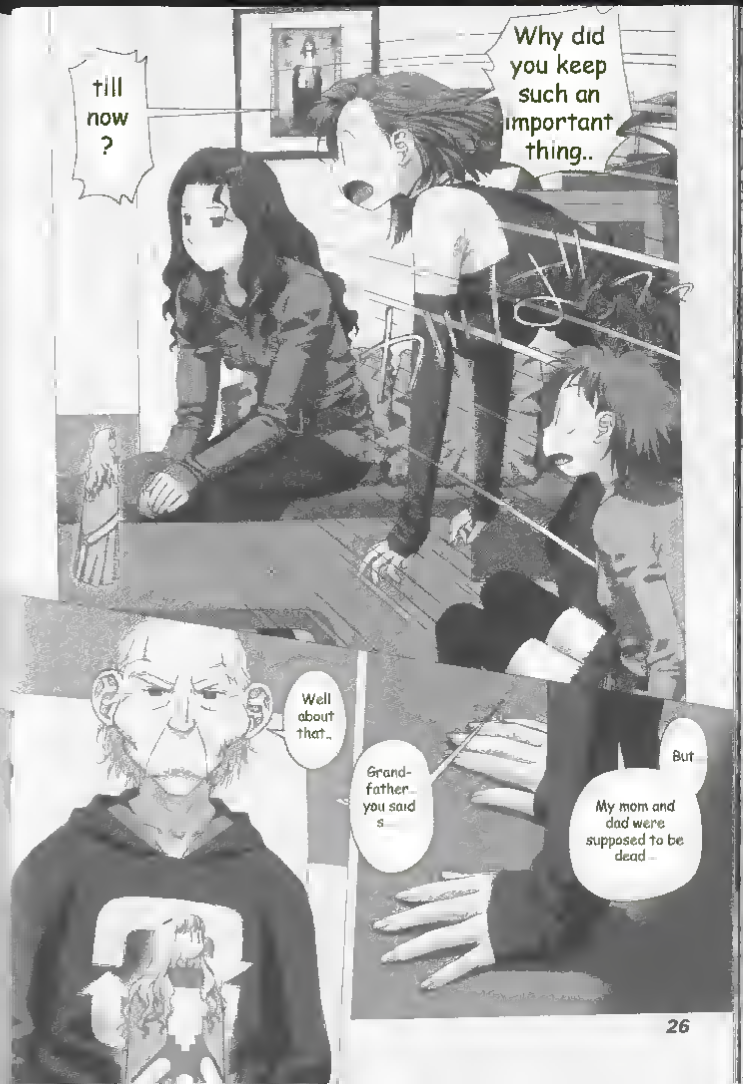
Makoto you are my real child born from the time I was with that person
It's true

We've hidden this from you till now. Sorry



……

Mom



Why did you keep such an important thing..
till now ?
But
My mom and dad were supposed to be dead ..
Grand-father.. you said s...
Well about that..

Makoto
I wonder do you know about the Abduction case?
Abduction ?
When Kanako was a young adult..
From infront of me she suddenly vanished without a trace ..

After 36 days she was returned
But...
I don't even want to think what happened during that time...
In those days there were plenty of stories about such happens on TV and in magazines
But, it all naturally seemed like o pipe dream
I didn't believe it...

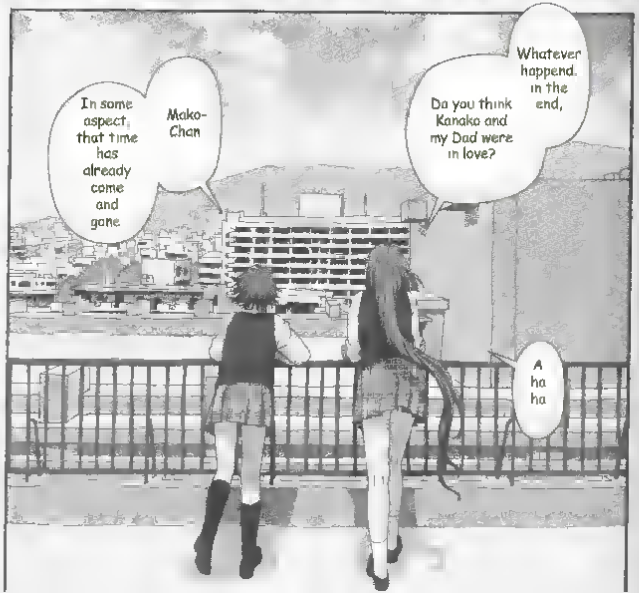
!?
These aliens in their UFO obducted Kanako in order to carry out experiments on her

I
It wasn't like that How many times do I hove to say that!!
Dad!
I wasn't experiment -ed on by them!

I spent time on the space-ship because I was invited
But I was the only earthling there so -- I got lonely
It was during that time that "he" showed me kindness

When she returned
She had been impreg-nated!
How rude
There are aliens that do experiments on human subjects but,
You say that
But you're the one who impreg-nated my daughter
We don't do that We just do research

Um.
Wait what did I just say?



Whatever happend. in the end,
Do you think Kanako and my Dad were in love?
Mako-Chan
In some aspect, that time has already come and gone
A ha ha

and then Makoto was born

Hiromi
Good morning Ryosuke Nanya.
What's up?
Hiromi
huh?

Nothing much
Good morning
Hiromi
Hey
Where is Mako-Chan?
It looks like she come down with a cold
She said she'd skip today
Did something happen to her?
Really?
Yea
Recently Mako-Chan has been acting strange huh

2-A
市丸廣美
PATA-N
Mako-Chan..
Are you okay?
When you suddenly brought up that you'd be skipping school this morning,
I became concerned..
!!

Mako-Chan
Although you looked like you were carrying yourself well
I guess that was a considerable shock for you
She skipped

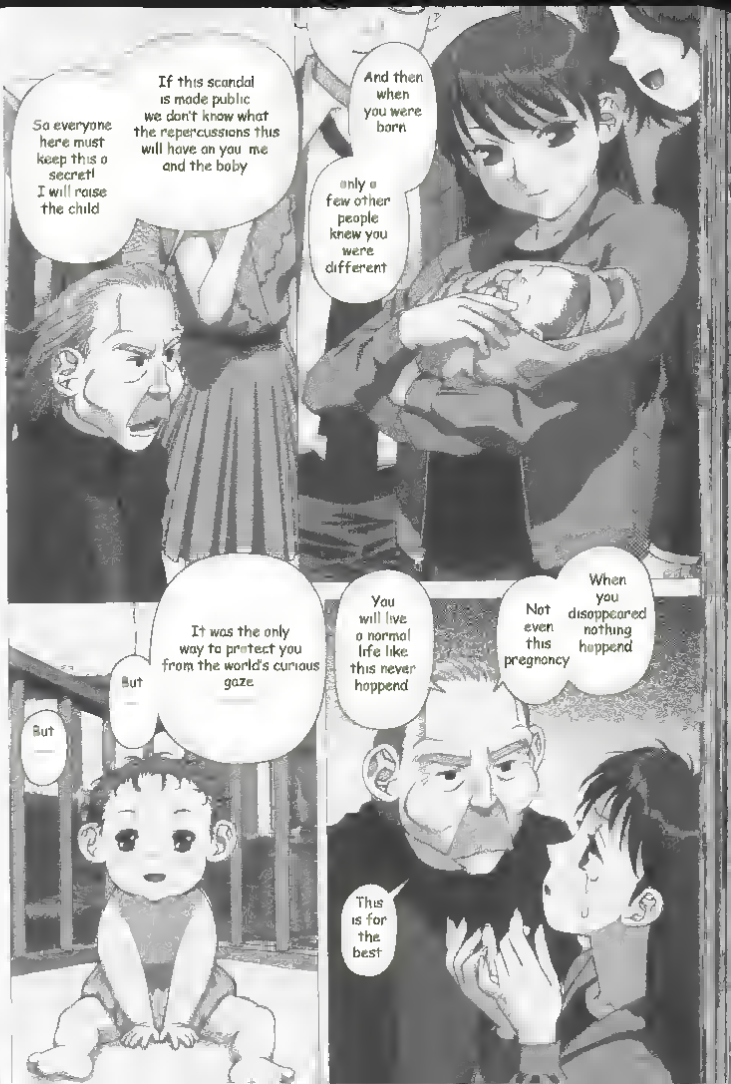
Makoto ?
Sorry about today
I'll make sure to go to school tomorrow ...
Well
I under-stand
I have to leave for work
So take care
Ok see you
See you later

.....

So when I came back the publicity was terrible
Journalists and TV reporters came all the way to the hospital
They came to check the results of the hospital examination and see if anything peculiar had happend to my body...
I already knew then. that you were growing inside my belly...

Are you angry ... at me?
Whatever excuse I give will be unacceptable but...
During that time my disappearance got some recognition on TV and in newspapers

No..
That is only an excuse
It was just keeping up appearances by sending my daughter far away!
I was a fool..
But.. if somebody found out about your body That it was half-human and if that became public you might have been made a guinea pig for scientists and politicians
So,
So..
S..



So everyone here must keep this a secret! I will raise the child
If this scandal is made public we don't know what the repercussions this will have on you me and the baby
And then when you were born
only a few other people knew you were different
But
But
It was the only way to protect you from the world's curious gaze
You will live a normal life like this never happend
Not even this pregnancy
When you disappeared nothing happend
This is for the best

Anyways, I've become interested in finding out one thing
Who's older, Hiromi or me?
Well I'm going
Take care
Hiromi ... she was born 3 months before
No way does that make me the younger sister?
*giggle
Mom
What happend until now is not worth worrying about
What is more important is that I have a mother, and compared to before, that makes me happy
Makoto

I wonder did he just come all the way here to meet me?
Is, I feel, there was another reason
The truth

It was finding out that Dad was an alien
the biggest shock wasn't finding out about Mom
For me

Kanna
!?
Would you like Coffee Tea
or some juice?
Ye-s
PIN PO-N

Did you skip class?
It was more like I turned back at the front gate
I heard Hiromi
She said you took the day off
mmmm

So I came
You shouldn't skip class
You can't persuade me of that
when you blush as you say it

Now
Mako-Chan are you here by yourself?

カチャ

Well then I guess you are
Kanna?

Kanako left for work
hmm

n
Aah
Do you know why I'm blushing?
No I don't
Tell me..

What, you can't figure it out?
What is your real objective for coming here?
It's probably not just to see Makoto's face
Hey
I don't have much time
The energy of my spaceship and this probe are running out
So before I don't have enough energy to return
You bastard
hmm
It's your turn

Mako-Chan……
I want to see you cum……
Aa……a
No-

I'll……
Do more than that and

Aa……n!
I intend to take Makata back with me

Well it's not like you can do anything to stop me

Mako-Chan
Kanna,

Before that
The day before in the nurse's room.
Yesterday it was in the restroom.
Practically everyday now
Yup
Even I myself know that but
Anyways, doing it like this is bad huh
You are just like cats in heat!
Wow

What are you thinking having sex in school?
Well
I don't think you're going to stop doing it but
Is that what you're doing?
You and Kanna have been disappearing together a lot lately right
Sorry

Lots of sex
more incredible than you could imagine

Why did this have to happen.

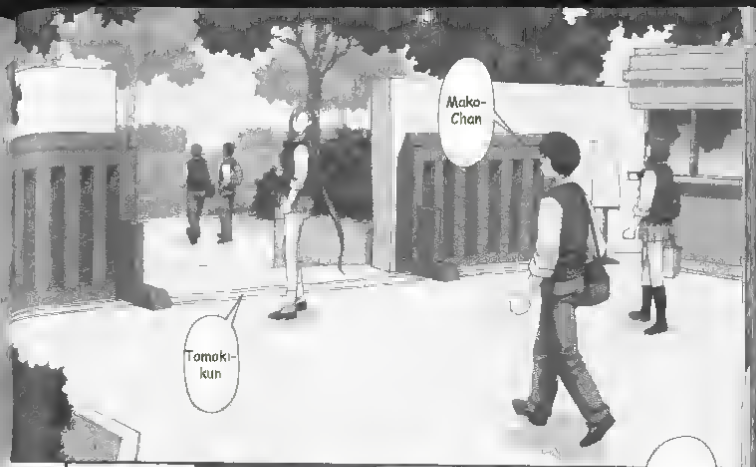
Hey
Why
Why am I no good?
Is having a penis that good?
But
I love Mako-Chan more.
Sorry
Of course. I love you Tomami

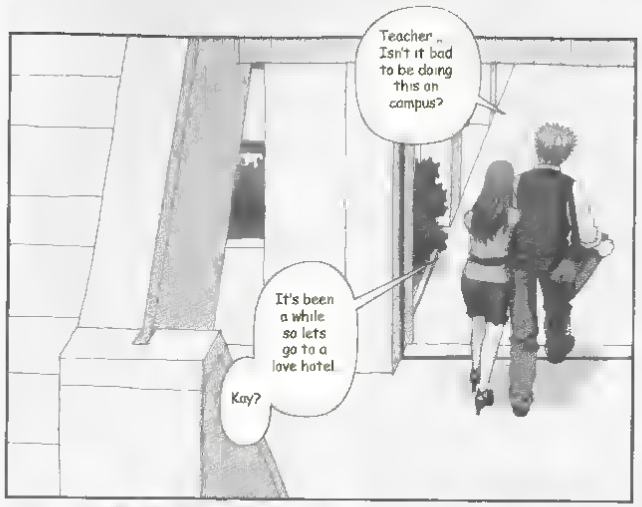


Mako-Chan
Tomoki-kun

As for Keigo
Ryōsuke and Naoya went ahead with Hiromi
I have no clue
Where are your usual body-guards?
Are you alone today?

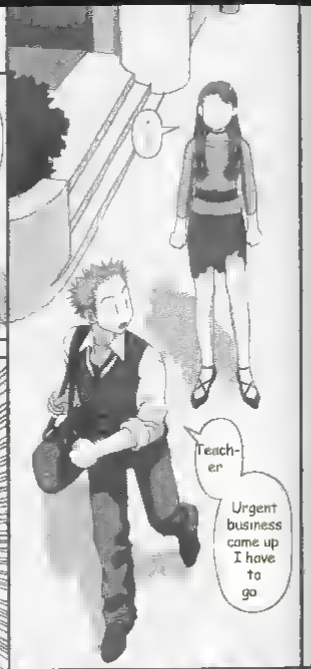
Hey
That was a pretty strong sneeze.
A ha ha
Yeah Anyways..
I've got business to attend to. So,
I'll be going home now
You're going to be Kashiwagi's bodyguard right?
That's no good
Once in a while you should be my bodyguard

Although Mako-Chan you're tough so it probably doesn't matter whether or not I'm here
Ye---a
Yea
Today I'm like your bodyguard huh..
Mako-Chan?
What's the matter? Are you okay?



Teacher.. Isn't it bad to be doing this on campus?
It's been a while so lets go to a love hotel
Kay?

Sorry
find Kashiwagi



Teach-er
Urgent business came up I have to go

You suck !
Keigo Mori-uchi

But
By this time She might already have arrived at home

PI RU RU

Dad's in the hospital?
WHAT?
Hey, hey what the hell are you saying?
Are you okay?
Okay bye
Understood I'll go there right now
hey wha-
hey

This is Keigo
Ye-s
You can't come now?
Then there won't be enough people for the party

Well
If I'm not in female form my honest side can't come out
So, now I can properly listen to what you have to say
Okay
Hey?
Isn't that Kashiwagi?
What is she doing here?

Hey, Tomaki-kun
you always do this here?
Is nobody here?
It's okay
Well
Of course I can't keep these female goods at home
If Mom and Dad found out, they'd disown me
Also my brother is there
That's terrible

.....
I see so that is the reason why you have such a long face
But if you were a guy, you'd just be having sex. It can't be helped
Although doing it at school is a little much no
But the more and more I do it
I feel a pain like an empty hole in my chest is getting bigger

WAC
Does that mean you took a girl's virginity?
When you say debut
My boy-side finally made it's debut.
Well the truth is...
Damn... I can't hear it that well from here
What are they talking about?
It isn't
Isn't that good?

BURGER WACKY
Are you saying that if my girl-side had it's debut my old self would return?
Well
So
Therefore Isn't it advisable if you did it with a guy?
I'm just a girl trapped in a boy's body
I'm not a hermaphrodite like you
No-
You're amaz-ing
Toma ki-kun

What
What should I do?
The first time you did it was for that reason and that's why you have an unfulfilled feeling
The trouble is that your boy parts seeks out the female body
I think you probably don't really like Kanna.
I wonder when your boy-side had it's debut, did it destory that balance
Until now your boy parts and your girl parts inside of you were in balance
Well
I think Moka-Chan you're different than other people

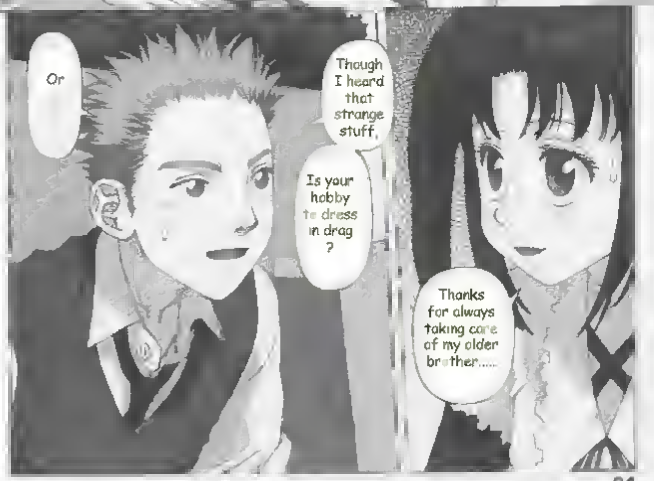
I'm listening.
Did you hear what I was saying ?
Keiga?
hmm

To not say anything to anyone
promise
So.. please, please

If Kohei knew about this...
He'd surely become bed-ridden
No.
I like boys over girls
Keigo...?
Hmmm...
Uh...um

Hey, you
Are you really Tamaki Hisamatsu?
Uh



Or
Though I heard that strange stuff,
Is your hobby to dress in drag?
Thanks for always taking care of my older brother.....

I'll promise, on one condition.
Please promise
So
?
If you go out with me I won't talk.
How about it?
Go out with me

He wasn't bad
It was just that his body couldn't take my body
With Kōhei
Oh yeah
Therefore the thing about my body and the thing about Tamaki-kun we'd like you to keep it a secret
What would others think about me
He said he liked me so he hid it

And with that
I was commuted to a date
With Keigo ..?

In heart and body I'm half male
So?
Didn't you listen to what I said?
Shh.. Don't talk so loudly
You might be able to have your Girl debut..
Stupid
If I don't try going out with you I won't know
Good or bad

Hiromi
It's fine
Don't worry about it, I've already got over Kei
I was insensitive
I was so caught up with everything
When you say dates
Will those include sex?
We just aren't going to suddenly be in a relationship,
We're going to go on a couple dates first..

You're certainly in high spirits huh
You even got the underwear picked
Are you thinking of going that far with Keiga?
Hey
I was thinking about wearing this. What do you think?
He's your ex...
Oh!
I'm sorry!!

I don't know but...
If he requests it, we might do it.
probably
He will
Because that's his thing
He pushed me down on our first date
Waw !
I'm relieved
Well
Haven't I been saying that
It really seems you are over him.
But
Having a relationship with him will be painful
Since he has a habit of cheating

Cheating... I don't really understand it
Normally
To be cheated on, is horrible isn't it?
Yea
What?

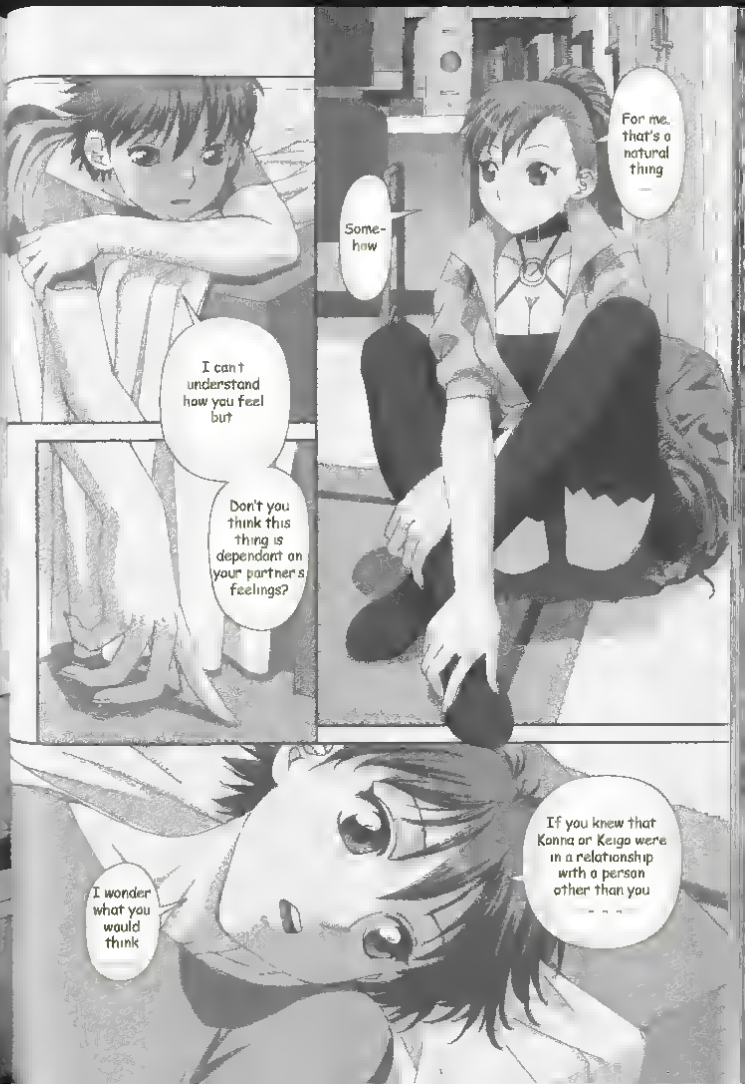
After all,
It's not good to go both ways.
That isn't my intention but
inside me my boy parts seek girls
and my girl parts seek boys

What are you going to do about Kanna?

Well now
You're in a relation-ship with Kanna but, you're also going to have a relation-ship with Keigo you know?

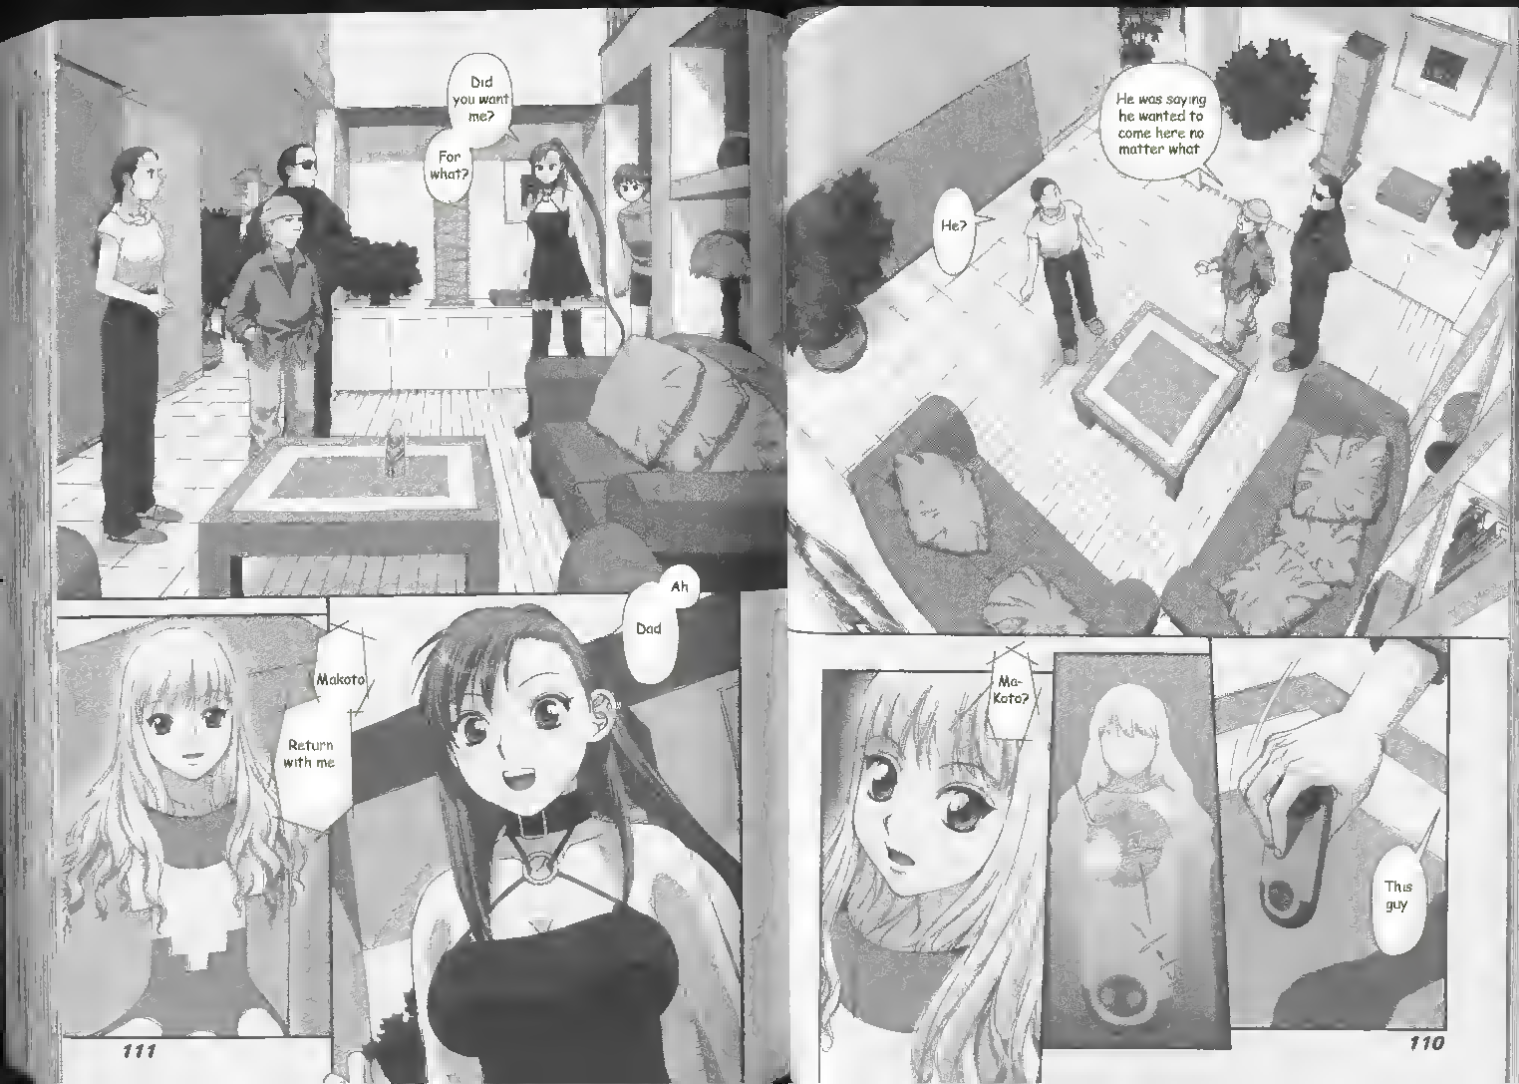
It's not all right to continue things as they are?
What do you mean, What am I going to do with Kanna.

I should decide on whether I would like to have a relation-ship
with a guy or a girl
For the Me now though that's difficult
Yea
For me it's harder
I really don't under-stand
But I don't think the reason is because you have two sexes or such...

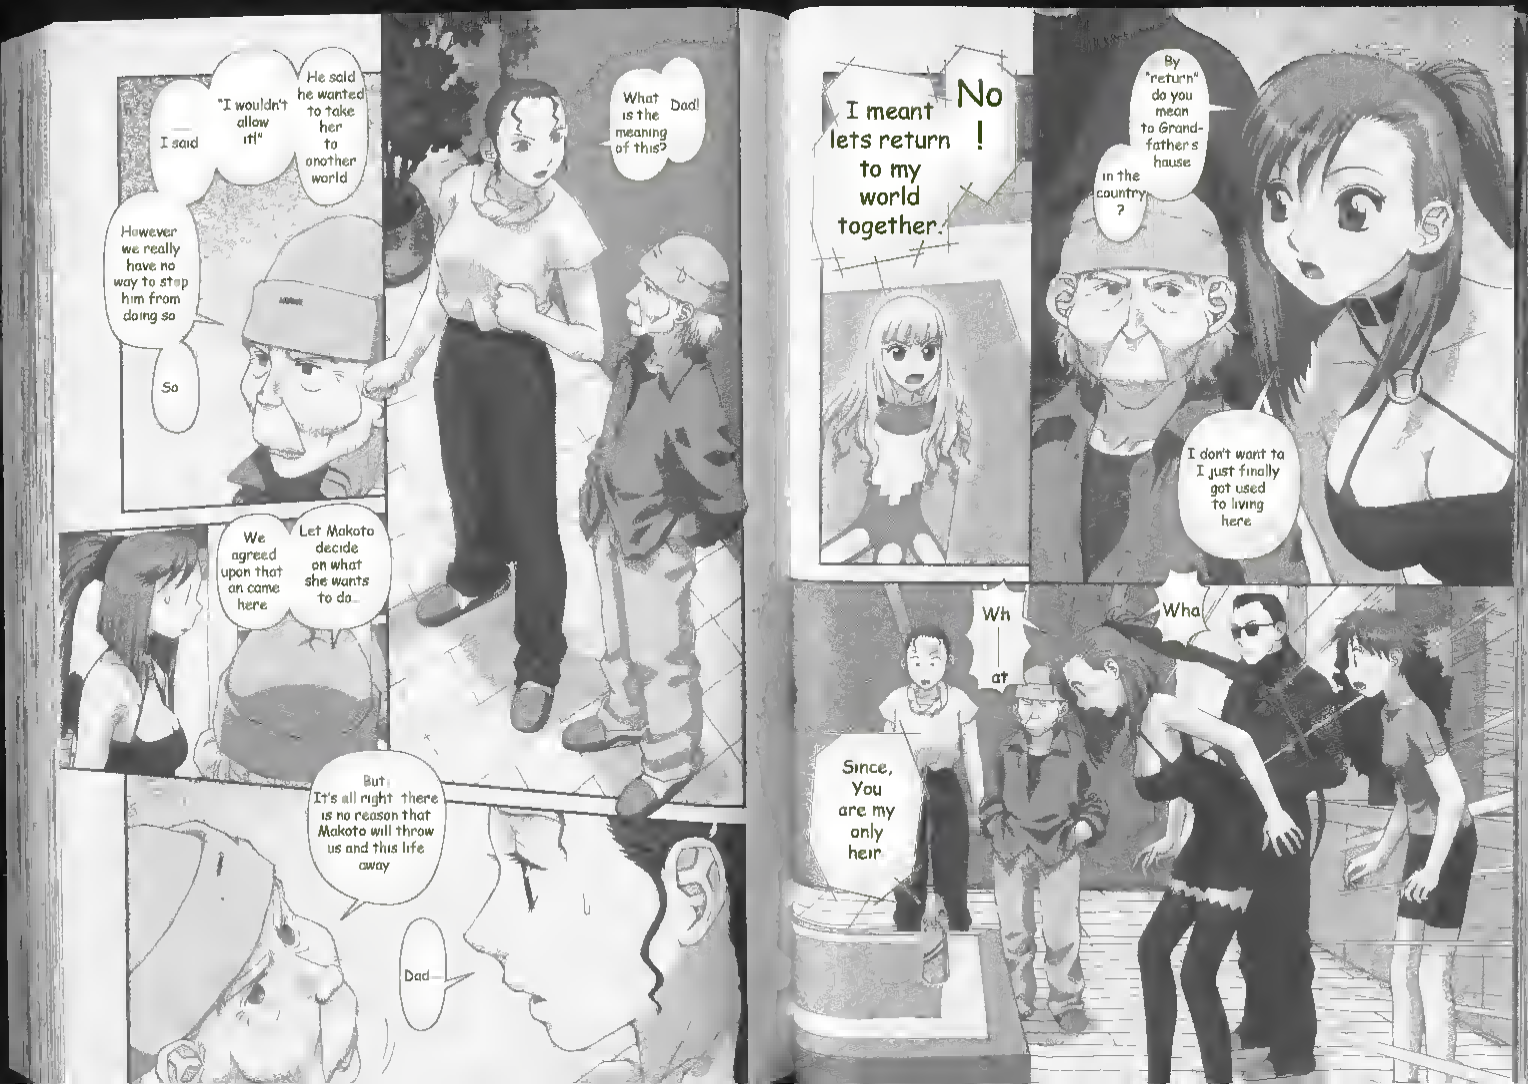


I can't understand how you feel but
Don't you think this thing is dependant on your partner's feelings?
For me, that's a natural thing
Some-how
I wonder what you would think
If you knew that Konna or Keigo were in a relationship with a person other than you

It looks like some body has come
At this hour, I wonder who it is?
It's Grand-father ..
I didn't want to come but .....
What's the matter Dad?
Suddenly coming at this hour
I think
Those clothes look good
Thanks
Oh yeah

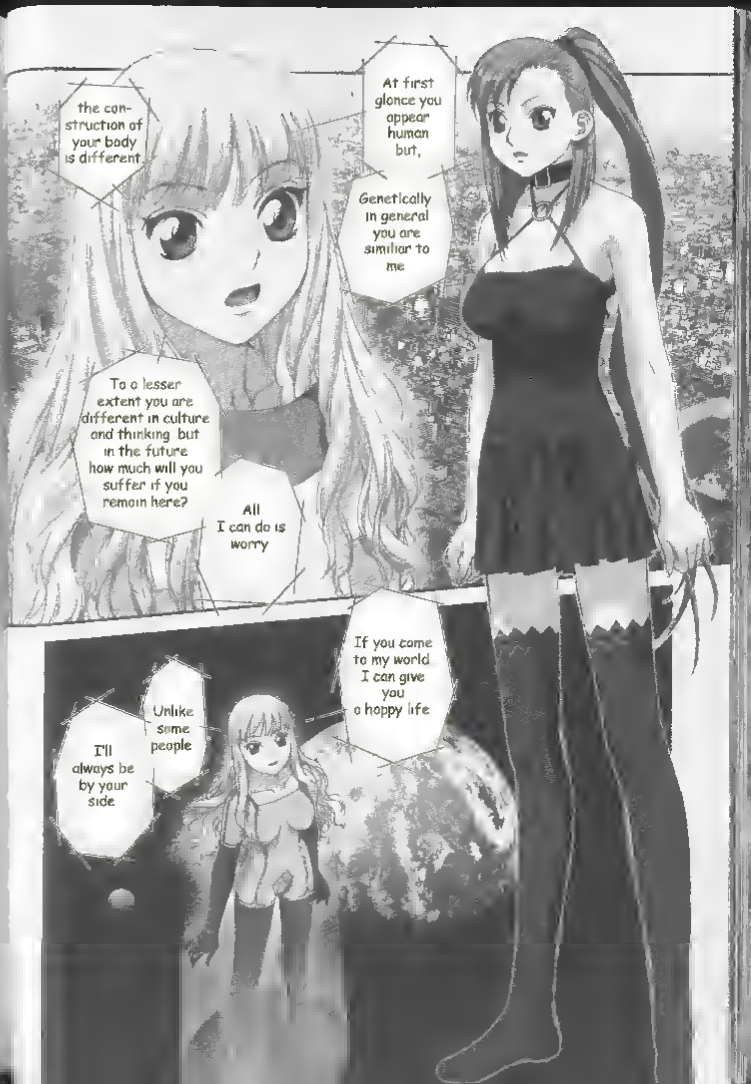


He was saying he wanted to come here no matter what
He?
Ma-Kato?
This guy
110
Did you want me?
For what?
Ah
Dad
Makoto
Return with me
111

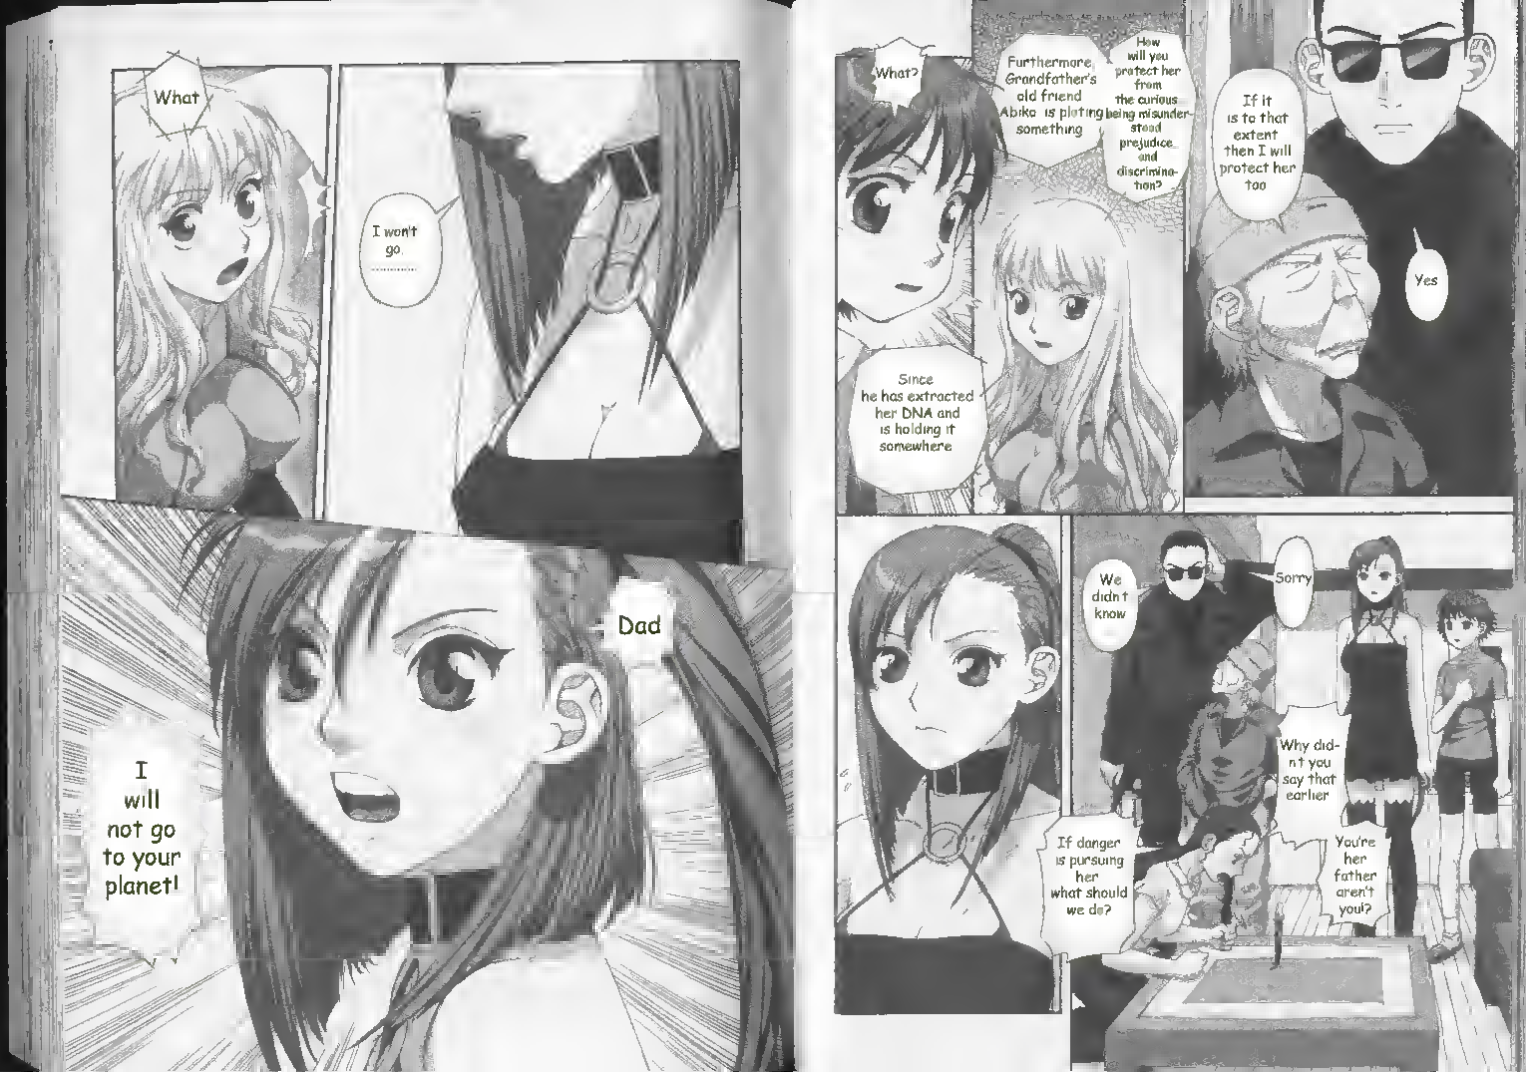


What is the meaning of this?
Dad!
I said
"I wouldn't allow it!"
He said he wanted to take her to another world
However we really have no way to stop him from doing so
So
We agreed upon that an came here
Let Makoto decide on what she wants to do...
But, It's all right there is no reason that Makoto will throw us and this life away
Dad—
I meant lets return to my world together.
No !
By "return" do you mean to Grand-father's hause in the country ?
I don't want ta I just finally got used to living here
Wh — at
Wha
Since, You are my only heir

So, everything that is important ta her is here
And since she was barn, she has lived here, an Earth,
I bore Makata !
What you're just saying things that suit you!
And neglecting all that has happend till naw
If she remains here.
What if some-thing happens ta her, how do you intend to protect her!?
This place is
fine
Because... Grand-father and Yasugi are here
Right ?



the con-struction of your body is different
At first glonce you appear human but,
Genetically in general you are similiar to me
To a lesser extent you are different in culture and thinking but in the future how much will you suffer if you remain here?
All I can do is worry
If you come to my world I can give you a happy life
Unlike some people
I'll always be by your side



What
I won't go.....
Dad
I will not go to your planet!
What?
Furthermore, Grandfather's old friend Abiko is plotting something
How will you protect her from the curious being misunderstood prejudice and discrimination?
Since he has extracted her DNA and is holding it somewhere
If it is to that extent then I will protect her too
Yes
We didn't know
Sorry
Why didn't you say that earlier
If danger is pursuing her what should we do?
You're her father aren't you?

man
Let's return to my world together!

Is it okay that I'm here?
Yea
Of course
I'm a herm-aphrodite -
The body of a man and woman together
Soon she accepted me
Hiramu was a little shaken but

Just incase If I'm invited by Keigo I'm ready
Before I left I shower-ed and
I put on the best underwear that Tamaki-kun could find
So in all I'm prepared
I wish I didn't have these bags under my eyes but
Although when he sees my body I wonder what face he'll make ?

I wonder if it's impossible to be accepted by men.....?

Ok

I'm not late am I...
Hey?
I came too early

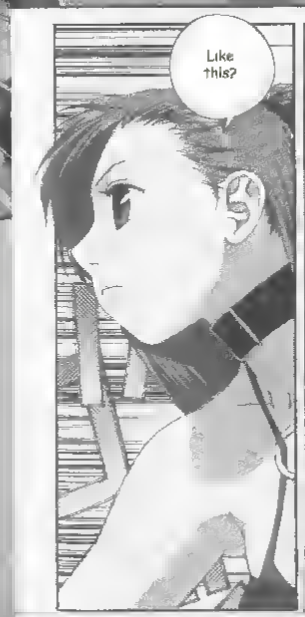
What?
Tama-ki?
Keigo... if you make Mako-Chan cry I will never forgive you

Hey why are you here?
What da you mean by that ?
More importantly, if we don't chase after them we'll lose them
Well because it might be my fault...

Did you grow taller?
Hey Kashi-wagi
hm
What's the matter?

No
Today it's because I'm just wearing high heels
The heel is about 7cm
And me
I'm 187cm
I was certain that you were 175cm

I did it.
Is this really your first time?
Wow.



Like this?

OK
Aim a little right of the head pin
OK
Make your wrist rigid and swing it straight like this

You're a good teacher ♡
No
Prob-ably you just have talent
Kashiwagi, you really are incredible.

Mako-Chan is amazing.

Let's go—

They started to move again.
Ah
Hurry up if we don't give chase, we'll lose them
Get out of the car
It's fine
It's not my job to be their body guard
Ah
That Abiko guy
he has appeared..

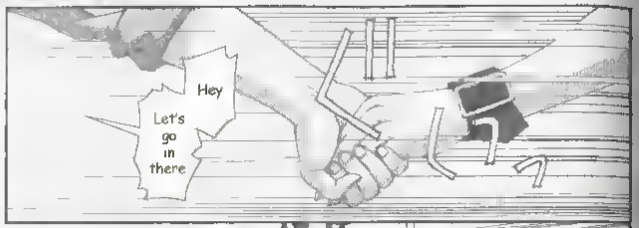
What ?
What's the matter?
No-thing
There was just some people I knew there
Why are we running?
Well

Hey

that's Abiko's younger brother I recall that he checked out Abiko's research documents

It seems that Abiko made his brother check out the cellular DNA of Makoto that he took...

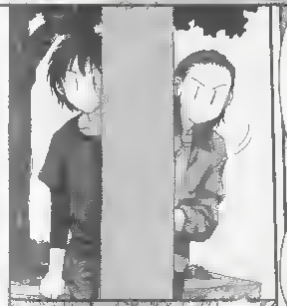
He is most likely in the employment of a university laboratory



Hey
Let's go in there

What good timing.
Because, I was just thinking I wanted to get something to drink.
Ek
Why are these two here?

I was trained by my Grand-father
Yeah.
If so, your athletic ability is incredibly high
Seriously that was your first time bowling ?
Speaking about your abilities remember those people that tried to steal your cell...



What the?

I had completely forgotten about that
You easily beat them up.. huh
Kashiwagi you can be scary

Why is this happening!
Hey, don't run away!
There they are
Ah..

Oh no
Of course because we're like family

Some haw today
we're meeting a lat of people we know huh

What ?
What's the matter ?
It can't be..
this time it's the Japanese History teacher Midori and the school doctor Miwaka

If I didn't give her the info on Mako-Chan's date, she said she would expose me.
I had to, because she knows about me.
You should've said that early.
If you talk to her about anything, she'll blab it to everyone at school.
Why to Miyuki!?

I talked about this date
It wasn't Kanna it was Miyuki
No no

Finally we're alone.
Just the twa of us
Can I go over there next to you ?

Anyways let's try going to the Teacher's location
But they lost them
Yea.
Was Kashiwagi there?
Excuse my abrupt question but
Why are we chasing after them on their date?
Because
Isn't it fun ♡
Well we just wanna interfere with their date

nor, did I hear anything about that.

I want to leave here before they spot us
Where are we going in such a hurry?
So please let's run!
What's with the strange concern?
I just want to go on a date
without being bothered by anyone
Ka-shi-wagi
are you okay?

Uhhh... Not in Kōhei. I mean in Ayame-Chan?
No it's all right
That's old news
hmm
They look like they're having fun
Are you still interested

Hey
Isn't that Mako-Chan?
Keigo is with her
Mako-Chan's also on a date today huh
that we are dating?
I wonder if they found out.
What should we do
Eh
Is it bad if we're found out?
Uh
no

What are they plotting ?
Who is that?
different then the ones up until now.....?
Aren't these people that he's associating with
Now, come quietly
You got that right
Somehow I got a bad feeling about this

What does he want?
That guy Abiko isn't chasing Makoto
Of course wasn't it for my planet s technology?
Prob-ably
huh?
Someboy has come
Does he want go an TV and make some noise?
I don't expect that will make him any major profits
Even though he has captured proof of a half-alien

We'll try going there right now
Ok got it
Is there any other possible place that they could have gone?
Yeah
She doesn't seem to be here either

How about Miyuki?
My sister said she'll check out the ferris wheel one more time.
She said that they d dn't seem to be there

Oh my god !

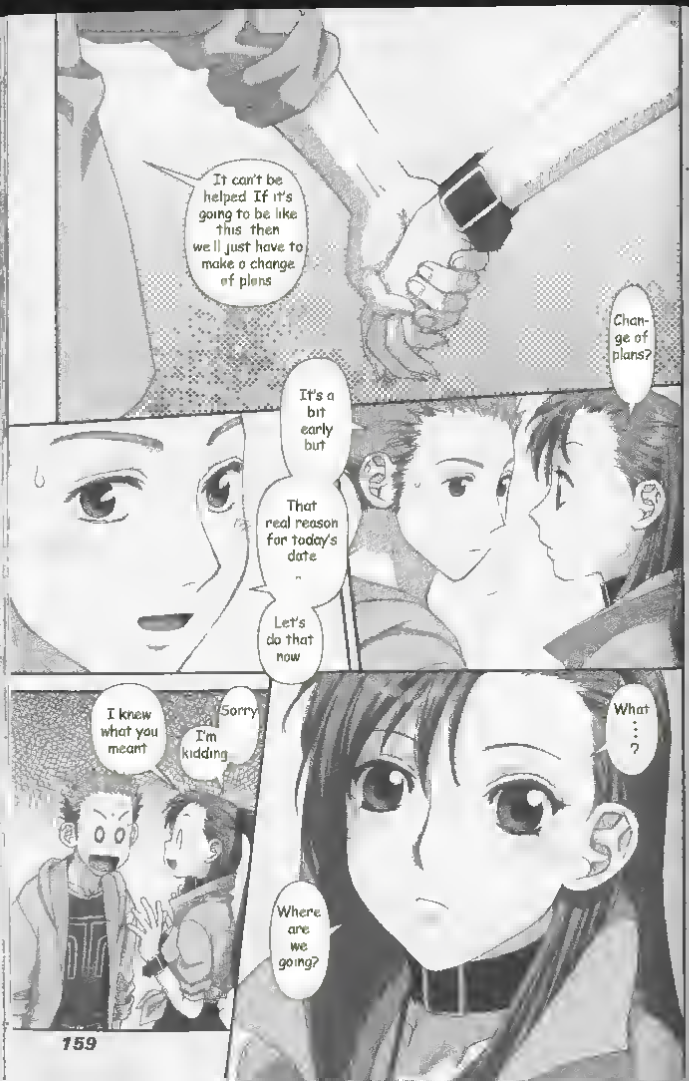
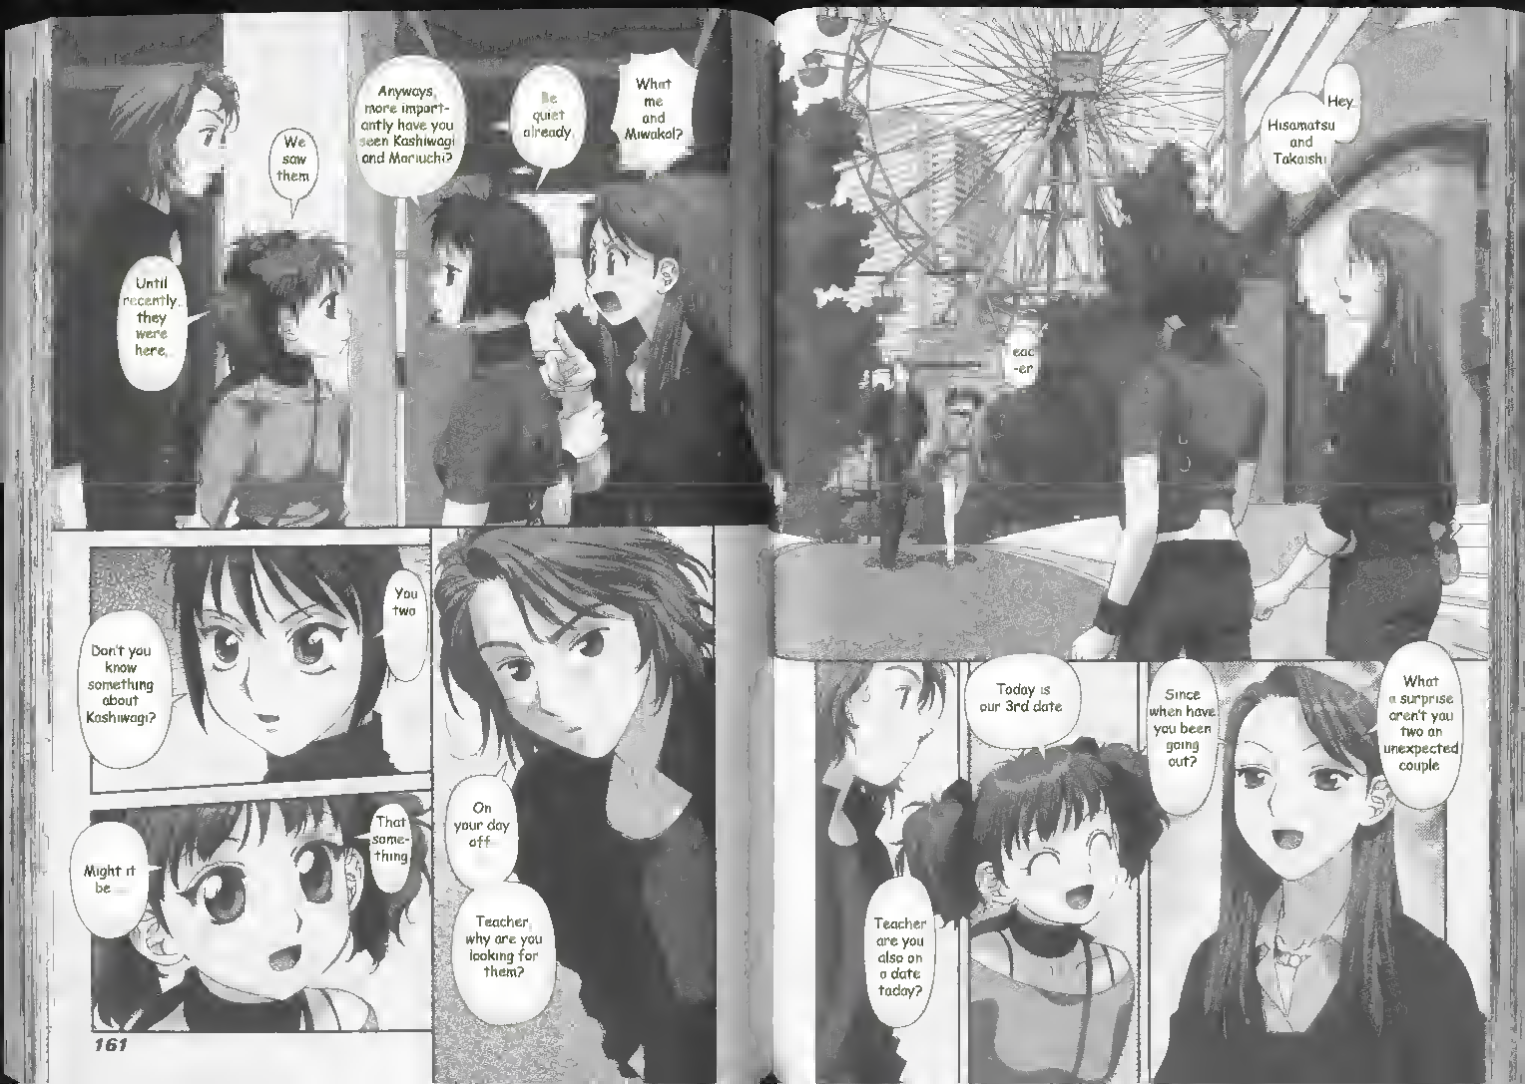
It seems like Mako-Chan hasn't come through here
How about over there?
Hello
This is Miyu-ki
They don't seem to be around here huh

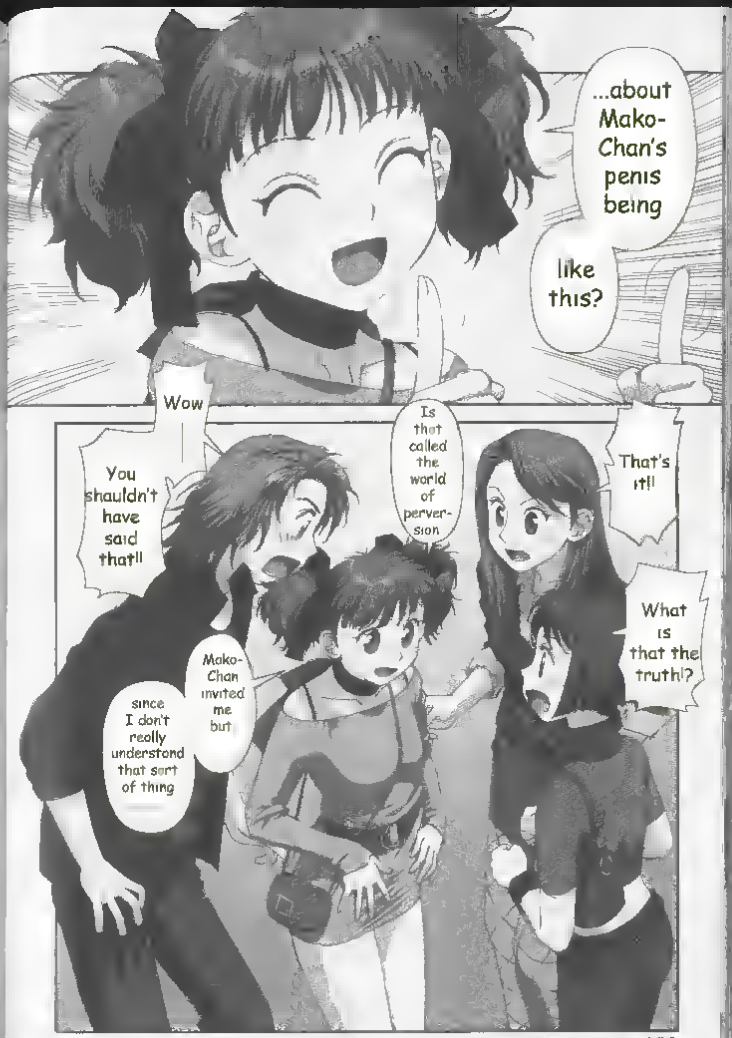


It can't be helped If it's going to be like this then we'll just have to make a change of plans
Change of plans?
It's a bit early but
That real reason for today's date ..
Let's do that now
What ... ?
Where are we going?
I knew what you meant
Sorry I'm kidding

Yeah
They haven't noticed us huh
Shit
huh ?
Why is everybody interfering with my date
Even with that, it's been pretty fun, right



We saw them
Until recently, they were here.
Anyways, more importantly have you seen Kashiwagi and Mariuchi?
Be quiet already.
What me and Miwako!?
Hey
Hisamatsu and Takaishi
eac -er
Today is our 3rd date
Since when have you been going out?
What a surprise aren't you two an unexpected couple
Teacher are you also on a date today?
You two
Don't you know something about Kashiwagi?
On your day off
Teacher, why are you looking for them?
That some-thing
Might it be



...about Mako-Chan's penis being
like this?
Wow
You shouldn't have said that!!
since I don't really understand that sort of thing
Mako-Chan invited me but
Is that called the world of perver-sion
That's it!!
What is that the truth!?

to reveal a person's secrets so readily!
Isn't it bad
It was a secret?
Did I say a bad thing?
Did
uh ?
No you're wrong.
Half of her is a fine woman
I wonder if she is a she-male.
I've been tricked
Just as I thought she's a man
WHAT ?

We'll just ask her what the situation is
Anyways, we're looking for them right now, and...

CHA
After that what are we going to do?
Well
And then

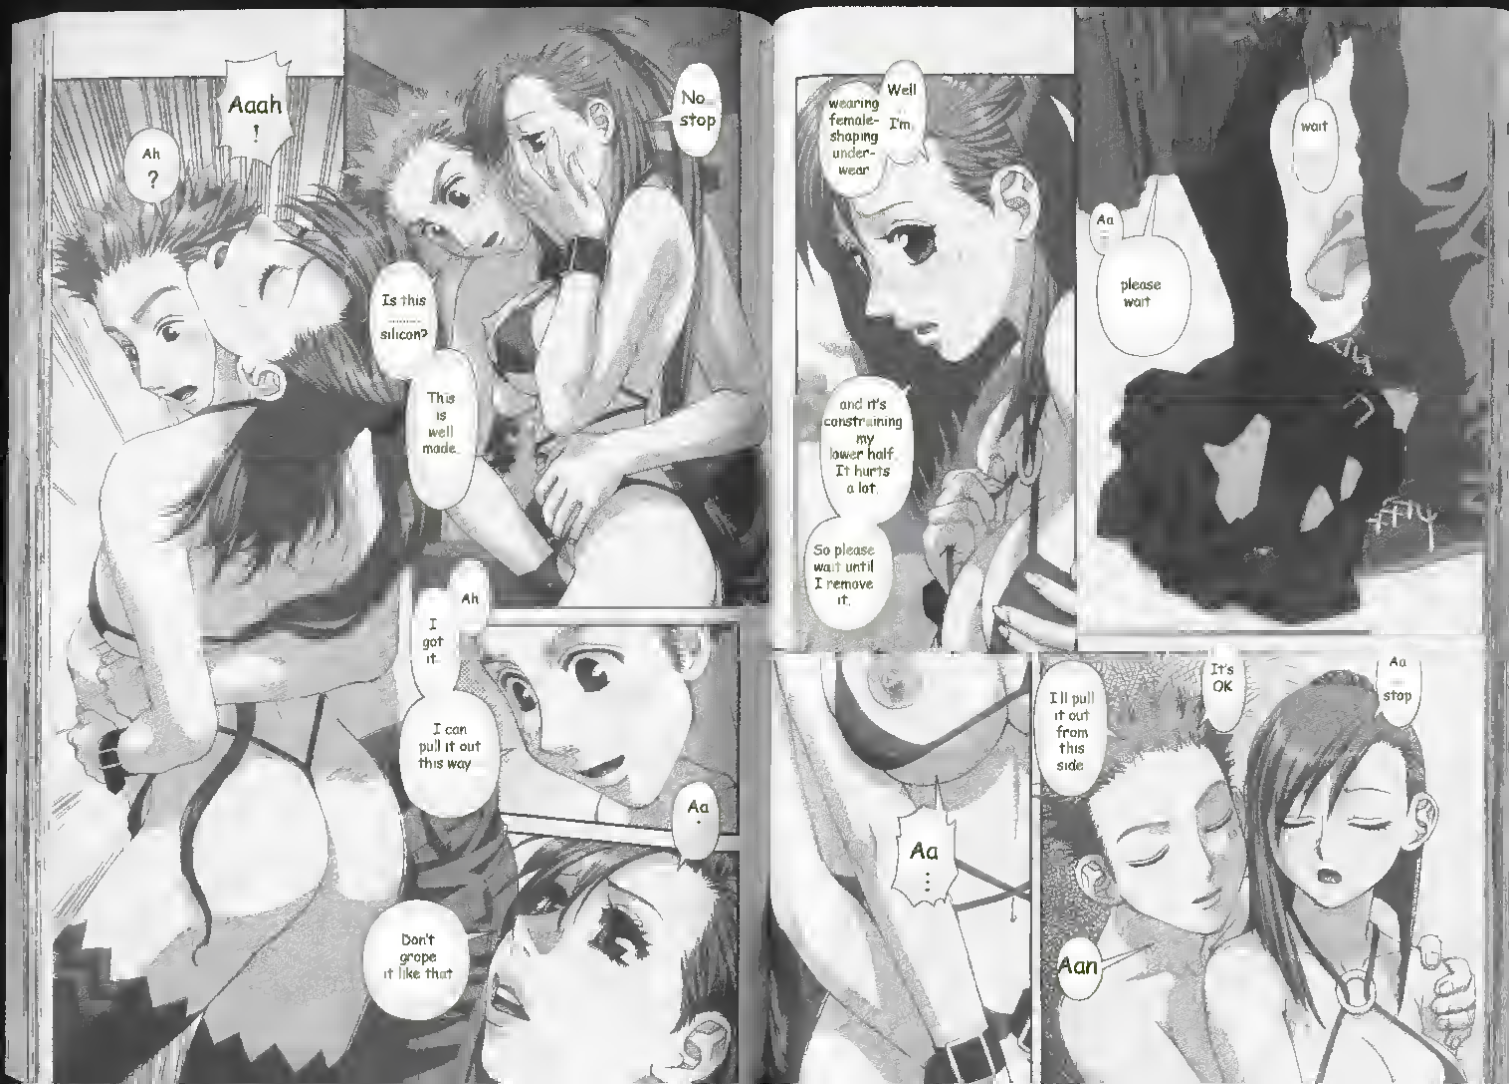
Are you a pervert ?
I should'n't have said that !
No, he means that she isn't a transvestite, but was born that way, right!
Are you saying that she isn't a man becoming a woman, but a woman becoming a man?

Is that true?
No way
Shes a hermaphrodite?
Un I don't particularly ...

They're most likely still searching around the normal dating spots
It was good that nobody spotted us coming here, huh
They probably don't think that somebody would go to a Love Hotel in the afternoon
What's the matter?
uh huh
EL Ø
PASA a

Just being able to have this unique experience
makes me very happy
Aa : n !
Not there !
Aa : Unn :

Do you dislike my large chest..?
It's fine
I love big breasts.
But
I also have a penis.
Are you fine with that as well?
Aa !
GYU
ゆっ



Aaah !
Ah ?
No stop
Is this ..... silicon?
This is well made.
Ah
I got it.
I can pull it out this way
Aa .
Don't grope it like that
Well I'm
wearing female-shaping under-wear
and it's constraining my lower half. It hurts a lot.
So please wait until I remove it.
wait
Aa
please wait
Aa ...
It's OK
I'll pull it out from this side
Aa stop
Aan

I wonder where they went...
They've really disappeared, huh...
I'm kind of relieved to know that your penis works correctly
A ha ha
I'm sorry
You really came there, huh
Well — next
How properly do your girl parts work...
I should check that out
No... please wait...
Aa — — nn !
Lets do that in the bath
please
Stop saying that !
No way
I will not believe that
Now they're probably fucking their brains out at a love hatel
!

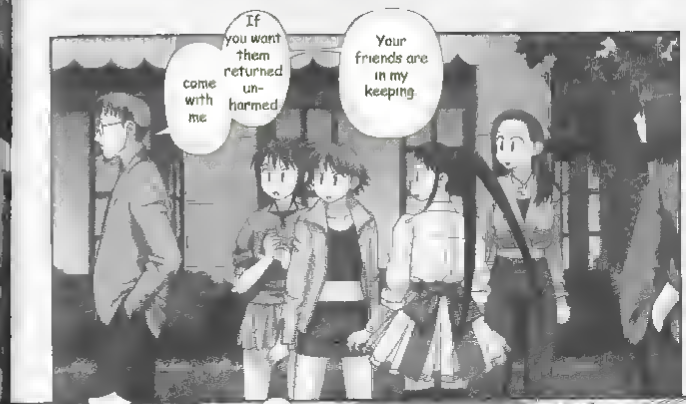
Yea, you're right.
Because we still can't get in contact with Miyuki and the teacher's groups
We can't
We can't just go home because we want to, right.
It's ADIKO !

I often hear such from my brother
That guy has no morals.
First dates, in the middle of the day, those things for Keigo don't matter at all
That's terrible
I can't think of Mako-Chan with such ...a man!
So why don't we go home?
It seems like we completely lost them
Well
Tama !!
they're fucking their brains out and
Right now

It's been already 6 hours since Yasugi contacted me
I expect he's chasing after that Abiko guy but
he hasn't reported back at the fixed time

Makoto was supposed to have come to this area today but...
Over there
it's Yasugi's car



Your friends are in my keeping.
If you want them returned unharmed
come with me

Don't make a fuss
CHA *gun

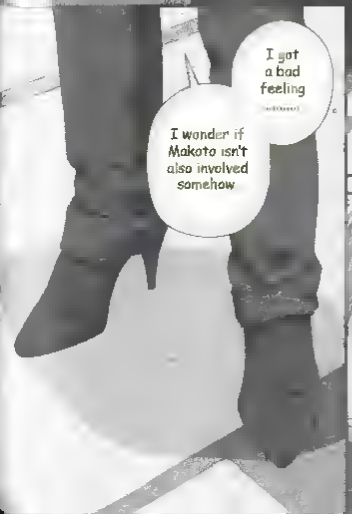
If you're going to make us hostages in order to capture Mako-Chan
For me,
I still want fame and fortune.

I think so
Yasugi had Makoto's Cellphone right

Honey
protect Makoto and Yasugi
Please

Search this area for clues
.....

Where could he have gone to?
He's not here huh



I got a bad feeling
I wonder if Makoto isn't also involved somehow

Kanako, What's the matter?

All
Right
Like that slowly bring down your hips
Aa

ZUB
ZUB

So, how was your Girl Debut?
Uh...
It didn't feel good at all.
I don't want to do it again.
That's only in the beginning.
I hear that the more experience you have the better it feels.
It's the worst, there is bleeding and it hurts.
I wonder if that's true.

How are you in pain?
Are you in pain?
Yea.
It's smarting and...
sti-nging...

He said to take you along
What !?
Everyone has been abducted by that guy, Abiko

to save every-one
I'm going

You won't know how good it feels if you do it just once

Eh ?
What!?
!

Yeah it's me.
Hello This is Keigo Moriuchi

I WILL save you!!
Hiromi hold on!

What have I been doing
Going without any preparations and by ourselves is dangerous !!

This is the place, right ...

Damn
hurry up!

Which floor?
The empty 43rd floor.
That elevator goes directly to it.

GO

What do you intend to do with Kashiwagi ?
Even in a time like this, you think like a teacher.
You are quite clever, Ms Midori Morisato
It's not a lie
It's just that I had to go to a place that the Japanese Police Force couldn't reach
I'll do no such thing
Lies Afterwards, you're going to stop us from talking
Makoto Kashiwagi is my bait to get highly advanced alien technology
I will trade her

What do you intend to do?
Why?
A high school teacher doing this.
I have no intention to harm any of you so just relax
I'm not a teacher and..

Her body's features are also
inherited from her father
And
Now he's come to Earth
saying that he wants to take her back with him
EH !?
WHAT !!
isn't human

Since it's come to this there really isn't any reason not to talk about it.. huh
What does he mean by alien?
What's that?

Mako-Chan
Mako-Chan's Dad
is a person that came from some distant planet
So... Half of Mako-Chan. -_-;;

Don't move
Your parent company's trade will vanish!
If this doesn't go well.
Don't be reck-less
Good Luck !!
Don't worry
We'll do the job as per the contract.

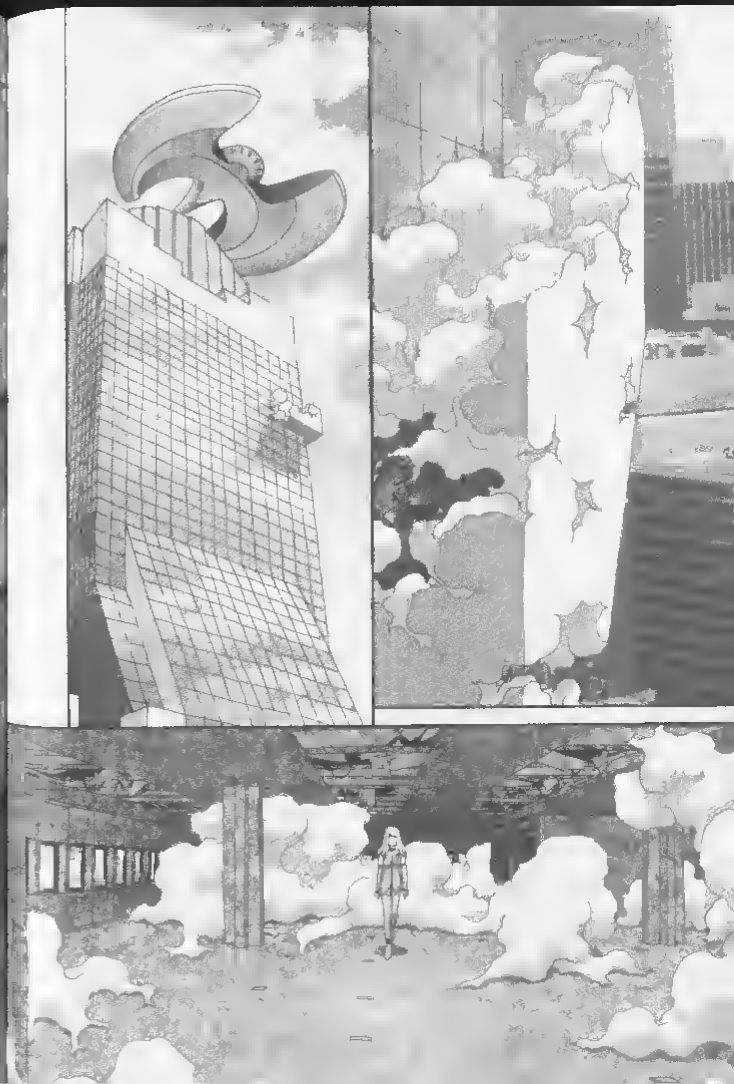
DOKANN
Who

What are you doing?
Eh
Dad..?
Is that really you?
If I hadn't come
this place would have been damaged by the falling fragments of glass and matter that your explosion caused
Until you know how to control your power,
you better not use it—



Un ?
They are just uncon-scious ..
Everyone on Hiromi's team is unhurt...
Hey is every-one all-right?
How about Abiko's party?
They all suffered heavy damage but...
it's not life threat-ening
I'm glad
Well, nobody died

What will you do? and
Dad ..
You became worried and came. right
When the probe was anelyzed ..
What will I do ?

Eh ? What ?
I've decided
BIRI
BIRI
Dad I'll go with you,
now
That's sudden
What are you saying .
Mako-Chan ..
Okay, after I have a word with your mom
If I m here any longer I ll just probably cause trouble for everyone

Mako-ta ?
BIRI
Mako-Chan .. ?
GORO

You can't go like this
It's cruel
Mako-Chan……

If we don't go now, then I will never ever go to your planet, Dad
Even if you're in such a hurry we do still have a little bit of time…
No
Let's go now !
All-right understood
soon
Mako-Chan……
I'm sorry

all the people that knew about her, with the exception of Grandfather, Mom and Me
Mako-Chan's Dad blocked the memories of Mako-Chan from
It was like nothing happend, around me normal high-school life returned
Morning
Yo
Good morning

Mako-Chan left
I'm going
Hiromi when you come home today don't eat anything and just wait... when I get back lets go out to eat
I've already made reservations
Okay

I'm home.
Mako-Chan
When I thought about Mako-Chan
my chest felt like it was being crushed

Without a point of contact I generally didn't talk t
Kaiga, always
It became such that I often would return home alone
Grandfather returned to the country.

we still will not make the reservation...
If you had been ready now
Mom, you're late
BATA BATA
PIN PO-N
Ah
She finally came

I wonder... I am messed up in the head
There days I became aware of my own feelings...
I wonder would this have been easier to bear.....?
If I had been able to say something like "I love you."

My thought just now we can do it ..

I forgot some-thing
Sorry.
I remembered Hiromi, that we haven't had sex yet
So I'm home

Make-Chan I wont give you back to your dad again.
It's all right. Dad was really angry but
he under-stood
So it's been decided that I'm going to be living here again
Nice to meet you
